Many years ago when I was in Bible College  
The pastor + Leader of our college said in  
reference to our King James Bible  
Don't Tell me what it teaches tell me  
What it says and let me decide what it  
teaches.

When it comes to our U.S. Constitution don't  
tell me what it teaches or your interpretation  
but tell me what it says.

When our Federal Government rules against  
our Constitution it is time for South Carolina  
to resist the Federal Government.

Why is it that a child can understand  
our constitution? but educated people can't  
understand the simple language of  
OUR CONSTITUTION.

Let us as a state obey our constitution
