

THIS IS A PRO-LIFE, SHORT-TERM MISSION!

Some of What We Will Do:

- Distribute hundreds of pieces of literature which will expose abortion for what it truly is, the brutal murder of an innocent child.
- Distribute hundreds of Gospel tracts
- Line the streets of towns, a high school, and a state university to show them the photos of the bloody pre-born after they have been in the hands of an abortionist.
- Preach the Gospel, call this nation to repentance, and declare God's Holy Command "**You shall not kill (murder)**".

Why Do We Show Those Bloody Photographs?

Because people need to see what a child looks like after he or she has been in the hands of an abortionist. Without the pictures, the words that describe what abortionists do to pre-born human beings lack reality and are easily forgotten.

After 32 years of State-protected baby-murder, it is time for the American people to see who is dying. The media have censored the pre-born child from the “abortion debate,” and we are simply attempting to bypass that media blackout by going to the streets and showing the American people for themselves exactly what a pre-born child murdered by abortion looks like.

We show these photos to inform our nation that it has violated God’s Law, and to call its people to repentance. Our photos stand as a haunting indictment upon our nation and the Church.

Some say our photos are disgusting and hurt our Christian witness. Our response: *Have you ever seen a pretty picture of a murder?* Murder is disgusting. **Abortion is murder**; therefore, our pictures are disgusting. What hurts our Christian witness more, being silent while our neighbor is unjustly murdered, or exposing the evil works of darkness (Ephesians 5:11-13; Ezekiel 22:2) by showing the atrocities being committed against our neighbor? We think the former.

What a pathetic people we are if we want to tolerate the oppression of an entire people group, but then become outraged when someone displays the suffering of that people group.

When someone is suffering gross injustice, we have a BIBLICAL duty and obligation to **act** on

their behalf. “...deliver them that are drawn unto death, and those that are ready to be slain;...” Proverb 24: 11.

After over **46 million dead by surgical abortion alone** in America, isn’t it way past time to be acting on what we say we believe? If abortion is murder, then why don’t we act like it is? The weak excuses we give for our inactivity are an indictment against our Christian witness and testimony, and only benefit the perpetrators of child sacrifice. **“THOU SHALT LOVE THY [unborn] NEIGHBOUR AS THYSELF.”**

Matthew 19:19. May God grant us all, especially Christians, **repentance** for this great crime against His Holy Name (Leviticus 20:3).

This Fall, we have committed about 5 days to our Fourth Annual SC “Show the Truth” tour on behalf of the pre-born. **Beginning on Nov. 1st, through Nov. 6th**, we will travel to Upstate/western South Carolina towns, a Planned Parenthood child-murder-by-abortion center, a baby-killing “hospital,” a high school, and a state university, to speak out on behalf of the victims of abortion. At each stop we will line the streets with large pictures of a baby who was killed by an abortionist in Texas. We will distribute literature to educate the public, and we will evangelize, telling others about Jesus.

If you would like to speak up for those who cannot speak for themselves, and demonstrate love to your pre-born neighbor in a very practical way, then join us on this Christian, pro-life, short-term mission. We start on Tuesday afternoon, Nov. 1st. You will need only traveling money, a sleeping bag, sheet, pillow, towel, toilet articles, and changes of clothes. Bring a warm jacket. Those who can only join us when we stop in their town should be on-site one-half hour before the scheduled event.

For those traveling with the tour, free **housing** will be provided each and every night. The accommodations will be in church buildings, or in private homes, or a private trailer. We will travel by carpool, though all who wish to drive are welcome to do so. As for **meals**, sometimes the host will provide a light breakfast, or as with lunch, we try to stop at an economical restaurant or fast food place. At this point, dinners will also be eaten out, unless any church groups or individuals come forward and offer to feed us.

Who can take part in this short-term mission ?

If you are a born-again believer of the risen Messiah, the Lord Jesus Christ, and have a heart for the babies who are killed by “legalized” child-sacrifice, your participation is desired. Our attitudes and conduct must be guided by a love for the Father, and a hatred of sin. With compassion and patience, we will seek to offer salvation by grace alone, through faith alone, in Jesus Christ alone, to the lost. CCL holds to this Biblical truth, and that there is only one Mediator between God and men, the Man Christ Jesus (1 Tim. 5). An embracing of this doctrine is essential.

If you are interested in traveling with this tour, it is **imperative** that you either fill out and return the form on the back panel as soon as possible, or that you give Columbia Christians for Life a call (803) 765-0916. We need to know how many to accommodate. Let others know about this short-term, pro-life mission.

CCL will supply all of the literature to be distributed during the tour.

CCL approved and provided signs alone will be used during the tour.
