MESSAGE: Violence begets violence. "Blood toucheth blood" Hosea 4:2
Bloodshed follows bloodshed. A major reason for violence
in SC in homes, against women, against children (e.g. DSS cases/issue),
on the streets, & elsewhere is the Government-Protected violence against children
in the womb. The Holy inspired Word of God reveals God uses the same Greek
word in the underlying manuscript (brephos) to describe John the Baptist in the
womb (Luke 1=41, 44, KJV) and the Infant Jesus (Luke 2=12, 16, KJV): BABE.
