In the third Presidential Debate ( [transcript](#) ), *just the night before* ( Oct 19 ), **pro-'abortion' zealot, Planned Parenthood 2009 Margaret Sanger Awardee Hillary Clinton** defended the evil, immoral, unconstitutional *Roe v. Wade* Supreme Court Opinion ( "... I strongly support *Roe v. Wade*, ..." ); **Hillary Clinton** opposed de-funding Planned Parenthood ( "**I will defend Planned Parenthood. I will defend *Roe v. Wade*, ...**" ); and **Hillary Clinton** defended her vote *against* banning the gruesome so-called 'Partial Birth Abortion' [ near-birth Infanticide ] procedure.

Yet, *the very next evening* ( Oct 20 ), **pro-'abortion' zealot Hillary Clinton** received enthusiastic applause, from several on dais standing ovations, at the beginning [ C-SPAN [video](#) 26:20 ] and at the end [ C-SPAN [video](#) 45:35 ] of her speech at the **Roman Catholic** Al Smith Dinner, at the Waldorf Astoria Hotel, in Manhattan, New York City !

## Hillary Clinton's remarks at Al Smith Dinner, Waldorf Astoria Hotel, October 20 reveal:

1) Hillary Clinton's shared belief with Roman Catholicism's un-Biblical teaching "that in order to **achieve** salvation, we need **both faith and good works.**" [ C-SPAN [video](#) 43:45 ]

Poor Hillary ! Salvation is **NOT "achieved"**; Salvation is a **gift** that is "received" !!! Hallelujah !!! Salvation is by **grace alone (sola gratia), through faith alone (sola fide), in the Lord Jesus Christ alone (solo Christo)**. These are three of the "**five solas**" of the world-history-changing **Reformation** (1517 A.D.), whose 499th Anniversary is observed October 31, 2016. If Hillary is counting on her "good works" to contribute to her salvation, then she is a lost soul indeed; as are the poor Roman Catholics who believe likewise, sadly being led astray by the false doctrine and teaching of the anti-Christ Roman Catholic Church Hierarchy (Pope, Cardinals, Bishops, Priests), which preaches a **false gospel**. Paul the apostle, writing under the inspiration of the Holy Spirit, **twice** said of such as these preaching an "other gospel", to "let him be accursed." (Galatians 1:8,9, [KJV](#)). Rome preaches "another Jesus" ( 2 Corinthians 11:4, [KJV](#) ). The "jesus" of Rome is a false Christ, one whose sacrifice upon the Cross on Calvary is not complete. The Bible reveals Christ's "one sacrifice for sins for ever" (Hebrews 10:12, [KJV](#)) is finished !

2) Hillary Clinton's shared belief with Roman Catholicism in addressing **anti-Christ Jesuit Pope Francis** as: "**Holy Father** [ *sic* - John 17:11, Matthew 23:9, [KJV](#) ] **Pope Francis**".  
[ C-SPAN [video](#) 43:55 ]

3) Hillary Clinton's admiration of a certain Roman Catholic **Jesuit** idea [ [Magis](#) - related to the [Jesuit Order motto](#) ], which she has discussed with her Roman Catholic **Jesuit-educated** VP running mate, Tim Kaine. [ C-SPAN [video](#) 44:30 ]

**Excerpts of Hillary Clinton's remarks to attendees at Roman Catholic Al Smith Dinner, including Roman Catholic Cardinal Timothy Dolan, Archbishop of the Roman Catholic Archdiocese of New York:**

### **Hillary Clinton:**

[ Emphasis added ]

And when I think about what Al Smith went through, it's important to just reflect how groundbreaking it was for him, a Catholic, to be my party's nominee for president.

Don't forget, **school boards sent home letters with children**, saying that if Al Smith is elected president, **you will not be allowed to have or read a Bible**. Voters were told that he would annul Protestant marriages. And I saw a story recently that said people even claimed the Holland Tunnel was a secret passageway to connect Rome and America **to help the Pope rule our country**.

continued...

Now, I'm not **Catholic**. I'm a **Methodist**. But one of the things that **we share** is **the belief that in order to achieve salvation, we need both faith and good works**.

And you certainly don't need to be Catholic to be inspired by the humility and heart of the **Holy Father** [ sic - **John 17:11, Matthew 23:9, [KJV](#)** ] **Pope Francis** or to embrace his message – his message about rejecting a mindset of hostility, his calls to reduce inequality, **his warnings about climate change**, his appeal that we build bridges, not walls.

Now, as you may know, **my running mate, Tim, is Catholic and went to Jesuit schools**. And one of the things he and I have talked about is **this idea from the Jesuits** of the Magis, the more the better.

**Notes:**

- 1) Even without Roman Catholic [Al Smith](#) being elected to U.S. President in 1928, [prayer](#) and the [Bible](#) were each taken out of public schools in the 1960's, and the [Ten Commandments](#) were taken out in 1980. ( The Biblical answer is for parents to rescue their children from the government schools and to homeschool. ) The anti-Christian agenda in America has in fact advanced greatly. Over the course of many decades, the United States has suffered the continued and ongoing **Romanization** of the United States Constitution; that is, the U.S. Supreme Court has traitorously done to the written text of the United States Constitution, what the Roman Catholic Church has blasphemously done to the written text of the Bible, i.e., usurped its authority, and declared their opinions to take precedence over the written text. ( The Roman Catholic Church false "bible" has 73 books, as opposed to the Christian Bible which has 66 books. )
  - 2) The Pope does in fact wish to rule our country, and to rule the world. Global political and religious rule and dominion is the present claim and ultimate goal of Rome's anti-Christ, anti-Bible, Vatican/Jesuitical Papacy.
- 
- 

While it is true there are many individual Roman Catholics in the pew who are sincerely pro-life, it is also true there are many **Roman Catholic Establishment Elites** and many members of the **Roman Catholic Church Hierarchy** who are **NOT** truly (Biblically) 'Pro-Life'.

**More evidence:** The **Roman Catholic Church Hierarchy** is "pro-life" in words, but their deeds send a different message.

The **Roman Catholic Church Bishops** in the United States have repeatedly **opposed** and continue to **not support** States' Personhood legislation to **END** "abortion":

[ROMAN CATHOLIC BISHOPS](#) [ [appointed by the Pope](#) ]

**[MISSOURI ROMAN CATHOLIC BISHOPS REJECT MISSOURI PERSONHOOD AMENDMENT](#) :**

Now at least **Seven States'** Roman Catholic Bishops have **opposed** Personhood efforts

Roman Catholic Bishops of these **Seven States** have **OPPOSED** State-Level Personhood legislation:

The Roman Catholic Church hierarchy ( e.g., the **USCCB** ) and various Vatican-front "Pro-Life" [*sic*] Establishment organizations ( e.g., **National Right to "Life"** and CFR/Jesuit-advised **Americans United for "Life"** ) are the **ENEMIES** of **State-Level** Personhood Legislation and **Non-Supporters** of **FEDERAL** ( HR 426 and HR 2761 - [www.Congress.gov](http://www.Congress.gov) ) Personhood **Bills** to **END** "abortion" in America:

"Abortion" could have been **ENDED** 43+ years and **59+** MILLION dead children ago with **FEDERAL** Personhood Legislation, such as HR 426 and HR 2761 ( [www.Congress.gov](http://www.Congress.gov) ) presently in the United States House of Representatives. Legislation similar to HR 426 has been filed in the U.S. Congress **continuously** since 1994, and with interruption, as far back as **1981** ( [S.158](#) ). The "Pro-Life" [*sic*] treachery and fraud of the Roman Catholic Church Hierarchy, and various Vatican-front "Pro-Life" [*sic*] Establishment organizations (e.g., National Right to "Life" and CFR/Jesuit-advised Americans United for "Life") is a disgrace, travesty, and abomination. Sadly, far too many Bible-believing Christian pro-lifers, and sincerely pro-life Roman Catholic pro-lifers are uninformed or deceived about means of **ENDING** child-murder-by-"abortion" **NOW** by passing "Personhood" legislation, in the **States**, and at the **FEDERAL** level.

## "The Jesuit Kulturkampf in the United States"

by Dr. Ronald Cooke

<http://www.truthinternationalministries.com/Publications.html>

### The Jesuit Kulturkampf in the United States

[ Emphasis added ]

The present cultural struggle in the United States is **Jesuit-inspired**, and is obviously helping **to Romanize rather than Christianize this country**. In this study, documentation is provided to show that the willingness of some Protestant Evangelicals, some conservative Baptists, some "truly" Reformed, and some Charismatics to become cobelligerents with the Roman Catholic System is **helping the goals of the papacy in the United States today**. The early American Puritans were united in their opposition to the papacy and the Roman Catholic Church-State. Unlike modern evangelicals they did NOT regard the Jesuits as their cobelligerent in some cultural struggle; they regarded them as their mortal enemy. They believed that a sound education involved the ability to expose the errors and superstitions of Roman Catholicism. In this first book of his three part series, Dr. Ronald Cooke exposes the activities of the Jesuit Order in America, **comparing the Culture War of our own time with what was called the Kulturkampf (Culture Struggle) in Germany during the decades leading to Hitler's rise to power**. Is the same pattern happening in America today? Are Catholics, Protestants, and Conservatives being led into an army of Culture Warriors that may one day be used for a diabolical purpose?

### [The Jesuits and Modern America - "The Jesuits have been out to Romanize America ..."](#)

" ... as late as 1920 many Protestants were concerned about the inroads Roman Catholicism was making into the politics of the United States. Spearheading the advance was the same old Protestant nemesis, the *Jesuits*, who have sought to overthrow the Protestant Reformation since the inception of their order."

"Americans, as late as 1920, were still concerned about the scheme the Jesuits were planning for the Romanizing of the United States. Jeremiah J. Crowley, who was a Roman Catholic priest for twenty-one years before his conversion to Christ, wrote a large tome on the effect Roman Catholicism was having upon the United States in his day. He entitled his work *Romanism: A Menace to the Nation*. The book was published in 1912." **Antichrist Exposed (The Reformed and Puritan View of the Antichrist)**, by Ronald N. Cooke, 2002.

**Here is the hard truth for those who can handle the truth  
( knowing the Bible and church history is important ):**

**Rome does not want "Abortion" to end (yet) in the United States of America,  
because Rome does not want the so-called "Pro-Life Movement" to end (yet) in America,  
because Rome does not want to lose that fruitful platform for Ecumenism,  
one of the chief goals of the **Council-of-Trent-affirming Second Vatican Council** (1962-1965).

The press remains in a state of disarray over the presidential debate. The nominees, however, must move on. Amazingly enough, [Hillary Clinton](#) and [Donald Trump](#) will actually dine together in New York City on Thursday evening, not 24 hours after their encounter in Las Vegas. The occasion: it's the 71st annual **Alfred E. Smith** Memorial Foundation Dinner, a very swell affair staged Manhattan-style in the ritzy Waldorf Astoria Hotel. [Mrs. Clinton](#) and [Mr. Trump](#) are the featured speakers at this vaunted charitable affair, hosted by **Timothy Cardinal Dolan**, Archbishop of New York, and attended by a gracious, well-heeled group indeed. The two candidates must put aside their rivalry for a few hours.

“[Hillary Clinton](#) and [Donald Trump](#) will deliver the evening's keynote speeches in the spirit of collegiality and good-humor that has become a hallmark of the gala,” the organizers advise. **“The evening offers the nominees an opportunity to come together with the country's most prominent civic, business, and religious leaders** to support charities that serve New York's neediest children. The dinner honors a cause that transcends the polarizing political rhetoric of the day and exemplifies the vision of Gov. Alfred E. Smith, known as ‘The Happy Warrior’ for his ability to maintain his positive outlook even as he tackled the pressing social issues of his day.”

Well let's hear a round of applause for that.

“[Donald Trump](#) and [Hillary Clinton](#) will attempt the improbable, if not the impossible Thursday night,” advises Bloomberg News.

Curious? C-SPAN will be there to cover the event live beginning around 9 p.m. ET.

## Hillary Clinton and Donald Trump are about to face off at an annual political roast

<http://www.businessinsider.com/hillary-clinton-donald-trump-going-to-al-smith-dinner-roast-2016-10>

[ Emphasis, comments added ]

NEW YORK (AP) Bitter presidential rivals Hillary Clinton and Donald Trump have one more face-to-face showdown before Election Day. And they're supposed to make it funny.

The venue just 24 hours after their third and final debate is the annual Alfred E. Smith Memorial Foundation Dinner in New York, a white-tie gala that every four years becomes a showcase for presidential politics. Tradition dictates that the candidates deliver humorous remarks poking fun at each other and themselves, a jovial custom that seems hard to envision amid such an ugly campaign. Trump regularly calls Clinton, "Crooked Hillary," mocks her stamina and says he'd put her in jail if he wins the presidency. Clinton says he lives in his own reality, is running a "hateful, divisive campaign" and lacks the temperament to be president.

They will sit just one seat apart for the evening, with New York's **[Roman Catholic]** Cardinal Timothy Dolan acting as the only buffer.

"I certainly expect that the dinner will be what it's always been: an opportunity for two candidates to put aside partisan politics for the evening," said Joseph Zwilling, the spokesman for the **[Roman Catholic]** Archdiocese of New York, which hosts the dinner. "I anticipate that we will have good humor and civility that this dinner has been always been known for."

The unprecedentedly bitter campaign between Clinton and Trump could threaten the ecumenical goodwill that has defined previous roasts. Since 1960, at least one of the major party nominees has appeared at nearly every election year dinner, which is traditionally the last time the nominees share a stage before voters go to the polls.

Four years ago, President Barack Obama and Mitt Romney set aside their differences to trade (mostly) warm jokes. Romney, scanning the well-heeled crowd in the gilded Waldorf-Astoria ballroom, joked that the event's white-tie attire finally gave him a chance to publicly don what "Ann and I wear around the house." Obama, meanwhile, used his speech that year to look ahead to an upcoming debate on foreign policy, previewing his argument by saying "Spoiler alert: we got Bin Laden."

U.S. President Barack Obama (L) and Republican presidential candidate Mitt Romney share a laugh with Cardinal Timothy Dolan (C) at the 67th Annual Alfred E. Smith Memorial Foundation dinner in New York, October 18, 2012. REUTERS/Jason Reed

Trump will speak first Thursday night, then Clinton. Neither campaign opted to preview their candidate's remarks and aides for both declined comment on the evening other than to confirm that each nominee will be there.

The evening might feel familiar to Trump, who infamously glowered through Obama's jokes at his expense during the 2011 White House Correspondents Dinner and is not known for being self-deprecating. Last weekend, he tweeted that he did not appreciate Saturday Night Live's portrayal of him in a sendup of the candidates' performances in the second presidential debate.

This is the first time that both party's nominees hail from New York State as a crowd of about 1,500 gathers for the distinctly Gotham event, held each October. Attendees pay between \$3,000 and \$15,000 to attend the dinner, which raises about \$5 million to provide services for impoverished children, Zwilling said.

The dinner is named after the former New York governor, who was the first **[Roman]** Catholic to receive a major party nomination for president when he unsuccessfully ran in 1928. And fittingly for an event named after a man nicknamed "The Happy Warrior," the occasion has produced dozens of memorable presidential jokes.

In 2000, then-Texas Governor George W. Bush gazed upon the glitzy gathering and declared: "This is an impressive crowd, the haves and the have-mores. Some people call you the elite. I call you my base."

That same year, Vice President Al Gore touted his campaign trail ability to weave in stories "of real people in the audience and their everyday challenges."

"Like the woman here tonight whose husband is about to lose his job," Gore continued. "She's struggling to get out of public housing and get a job of her own. Hillary Clinton, I want to fight for you."
