Roman Catholic Jesuit Georgetown University Professor: "I actually teach abortion rights."

Video - 0:40 - 1:20

There are many sincere, strongly pro-life Roman Catholics in the United States who have been deceived into believing that the Vatican / Jesuit General / Roman Catholic Hierarchy in Rome actually wants to **END** child-murder-by-"abortion" in the United States. That is a lie, a **Big Lie**. Rome does **NOT** want to actually **END** "abortion" in the United States at this time. Rome wants to *perpetuate* the so-called "*Pro-Life Movement*" for other purposes.

This appearance by the president of Planned Parenthood Federation of America, Cecile Richards, whose affiliates murder over a quarter of a million American children per year (actually over 300,000 per year), speaking at the oldest Roman Catholic university in America is but one, though blatant, example and piece of evidence testifying to the fact Rome is **NOT** "pro-life".

Among those of us who have labored for years to **END** "abortion" in individual States and in the United States by advocating passage of Personhood legislation to recognize the Creator God-given, unalienable, Constitutional right to life of every human being as a person at conception (fertilization), are those who have seen and understand the opposition and/or non-support of the Roman Catholic Bishops in the United States (www.usccb.org). This opposition and non-support by these Roman Catholic Bishops, who are appointed by Rome's Pope in the Vatican has been manifested and documented in multiple States (see report [here](#) and below).

Rome is obstructing the actual **END** of "abortion" in the United States in order to *perpetuate* the so-called "*Pro-Life Movement*" to further its Second Vatican Council objective of Ecumenism toward the goal of one-world false religion under the Pope (controlled by the Jesuit General).

As long as professing Protestant, Baptist, and evangelical Christians are "yoking up" with followers of the false religion of Rome in the so-called "*Pro-Life Movement*", *despite* the Biblical commands not to do so (e.g., 2 Corinthians 6:14-18, [KJV](#)), Rome's Vatican / Jesuit General / Roman Catholic Hierarchy is pleased for "abortion" in the United States to continue. Rome is more interested in advancing Rome's goal of one-world false religion under the Pope (controlled by the Jesuit General) than in actually **ENDING** the murder of American children in the wombs of their mothers (and there are other nefarious goals of Rome in this regard as well).

Young Pro-Lifers Protest Cecile Richards of PP at [Roman Catholic Jesuit] Georgetown University

Despite the protest of thousands of Catholics, [**Roman Catholic Jesuit**] Georgetown University welcomed **Cecile Richards, president of Planned Parenthood**, to speak on campus on April 20. Her pro-abortion lecture in Lohrfink Auditorium, attended by some four hundred students, was nothing but a pep rally for the Culture of Death and a cutting blow against the right to life and Catholic teaching. In fact, **Richards' remarks at the oldest Catholic university in America received a standing ovation.**

In response to this scandal, pro-life activist groups such as [**Roman Catholic**] Priests for Life and Students for Life gathered in protest. Former Planned Parenthood employee turned pro-lifer [**Roman Catholic**] Abby Johnson also spoke to a group organized by an on-campus association, Vita Saxa.

Among these pro-life demonstrators were more than twenty young volunteers of TFP Student Action and a group of high school students from Saint Louis de Montfort Academy.

While Richards was telling Catholic students that abortion is "a basic human right," TFP members were praying the [**CCL: blasphemous, idolatrous - 1 Timothy 2:5, KJV**] rosary and chanting slogans:

"Catholic teaching, YES! Abortion, NO!"

"Purity, YES! Abortion, NO!"

"The sin of abortion, NEVER! The Ten Commandments, FOREVER!" [**CCL Note: The Roman Catholic false version of the Ten Commandments removes the Second Commandment against graven images, Exodus 20:4-6, KJV**].

From the very start of the prayerful campaign at the O Street gate, it was clear that the ambience was markedly different from two weeks prior, when the TFP went to [**Roman Catholic Jesuit**] Georgetown to defend the unborn and call for the lecture's cancelation.

Police lined the streets and a patrol car blocked the main gate of the university. Many of the police officers, however, were sympathetic as they had been before and one of them joined in for a few lines of “God Bless America” as it was played on the bagpipes.

The Standard is Raised [sic]

With fliers, banners and [CCL: blasphemous, idolatrous - 1 Timothy 2:5, KJV] rosaries, TFP Student Action members began the campaign.

Reactions were immediate. Across the street from where the main group of TFP volunteers was set up, a student on the third floor of a building played loud, crude music in an attempt to drown out the recitation of the holy [sic] [CCL: blasphemous, idolatrous - 1 Timothy 2:5, KJV] rosary. It was to no avail. The combined voices of the TFP group were able to overpower the noise.

After the Fight

On the way out of campus, the TFP volunteers met Fr. [sic - Matthew 23:9, KJV] Stephen Imbarrato of [Roman Catholic] Priests for Life, who after taking a photograph with the young men explained to them how [Roman Catholic Jesuit] Georgetown University (a Catholic University) told him that he (a Catholic priest) would not be welcome there if he was going to openly defend Catholic teaching on abortion and contraception.

Several [Roman Catholic Jesuit] Georgetown alumni expressed their deep concern. Mike P. said:

“Outstanding! Thank you TFP Student Action for standing for truth and for supporting pro-life students at Georgetown. As a Georgetown alumnus I am thoroughly outraged at how my alma mater flaunts its status as the oldest Catholic University in the country in marketing materials but fails to follow through on its Catholic mission.”

Mike continued: "This event is yet another example of why Georgetown should no longer be considered a Catholic educational institution. The administration has provided very poorly argued rationalizations for this event and the conduct of the students shown in your video demonstrates their immaturity, ignorance and amorality."

Georgetown should be promoting the right to life, not undermining the truth by allowing Cecile Richards to poison the minds of so many students with the lies of Planned Parenthood.

True Catholic shepherds always defend the flock by warding off the pro-abortion wolves, even when the wolves are disguised as sheep. In this case, however, Georgetown welcomed a prominent pro-abortion wolf who dresses, talks and acts like a wolf without any disguises, a wolf whose single purpose in life is to perpetuate the Culture of Death.

Whose side is [Roman Catholic Jesuit] Georgetown on? [CCL: Satan's]

The Roman Catholic Church Hierarchy (e.g., the **USCCB**) and various Vatican-front "Pro-Life" [*sic*] Establishment organizations (e.g., National Right to "Life" and CFR/Jesuit-advised Americans United for "Life") are the **ENEMIES** of STATES' Personhood Legislation and **Non-Supporters** of FEDERAL Personhood Bills to **END** "abortion" in America.

"Abortion" could have been **ENDED** 44+ years and **59+ MILLION** dead children ago with **FEDERAL** Personhood Legislation, such as **HR 586** in the present 115th Congress; or if necessary, such as **HR 2761** which was filed in the United States House of Representatives in the previous 114th Congress. Similar legislation has been filed in the U.S. Congress **continuously** since 1994, and with interruption, as far back as **1981** (**S.158**). The "Pro-Life" [*sic*] treachery and fraud of the Roman Catholic Hierarchy, and various Vatican-front "Pro-Life" [*sic*] Establishment organizations (e.g., National Right to "Life" and CFR/Jesuit-advised Americans United for "Life") is a disgrace, travesty, and abomination. Sadly, far too many Bible-believing Christian pro-lifers, and sincerely pro-life Roman Catholic pro-lifers are uninformed or deceived about the means of **ENDING** child-murder-by-"abortion" **NOW** by passing "Personhood" legislation, in the States, and at the Federal level.
