Columbia (SC), the **Bloody** City:

Fornication, Sodomy, Violence **Inside** and Outside the Womb

Law Enforcement is confronted with the criminal and violent consequences of the long-term corporate and cumulative moral and spiritual failures of many Parents, Pastors, Legislators, Council Members, Judges, Governors, US Presidents, US Congresses, Lawyers, Doctors, Educators, and Media.

The gun violence problem has **moral**, and ultimately, **spiritual** roots.

Bloodshed follows Bloodshed

God says, "**Blood** toucheth **blood**", Hosea 4:2, **KJV**.

God says, "... since thou hast not hated **blood**, even **blood** shall pursue thee." Ezekiel 35:6

[**VIDEO** - 34:24 / Columbia Police Chief Holbrook: "Unfortunately, gun crime remains our greatest threat [*sic*** - see below*], both in the City and in the County [Richland]."]

COLUMBIA, S.C. (WIS) - Following **two shootings this past weekend** in Columbia, the Columbia Police Department and the Richland County Sheriffs Department are stepping up their efforts to crack down on gun violence.

On Monday, Columbia Police Chief Skip Holbrook began the press conference by saying gun crime remains our greatest threat.

He, then, proceeded to reveal a lengthy list of gun related incidents in Columbia.

Since August 2, authorities have responded to 20 crimes where a handgun was used illegally. Holbrook said his department received 18 **ShotSpotter alerts** where 58 rounds of gunfire were recorded and four guns, including three stolen firearms were seized.

Because of these alarming statistics, Holbrook has ordered an increase in staffing on weekends.

I issued a directive yesterday requiring all administrative support personnel including lieutenants, captains, majors, Deputy Chief and myself to work Friday and Saturday nights until further notice, Holbrook said. Well work in all crime hotspots in our city, particularly in the North Metro Region, Millwood corridor, Five Points, and the Vista entertainment area.

Also in attendance, was a representative from SLED and **Richland County Sheriff Leon Lott, who echoed the need for the community to come forward stating that incidents were going to keep happening if the community did not get involved.**

[[CCL: Are Christians welcome to become involved with Biblical moral and spiritual input ?](#)]

Lott also called for parent involvement.

We need help from parents, he said. There is no reasonable explanation for a 14-, 15-, 16-year-old child to be out 2-3 o'clock in the morning. We see that all the time.

When asked **if anything else could be done** to lower the violence problem in Five Points and the City of Columbia, **Holbrook said officials have to have some ownership of the problem.**

Additional Quotes from August 12 Press Conference:

Sheriff Leon Lott, RCSD: "... but I don't want anybody to think that this is a law enforcement problem. This is a community problem."

Sheriff Leon Lott, RCSD: "The violence we got in our community has to be dealt with by everybody in the community, not just us in law enforcement."

Sheriff Leon Lott, RCSD: "Now, we're doin' our part, and we're gonna continue to do our part, but we need help in the community. We need help from parents."

Sheriff Leon Lott, RCSD: "We don't have parents in our community that are being parents. We need parents to step up, and be parents, ..."

Sheriff Leon Lott, RCSD: "It's gonna take this community to come together. Our elected officials, [our churches](#), our schools, our parents, our neighborhood. The only way we're gonna be successful is everybody gets involved in this effort."

Sheriff Leon Lott, RCSD: "We're gonna do our part, but we can't stop it by ourselves."

Sheriff Leon Lott, RCSD: "We can continue to lock 'em up. We continue to seize guns, but if we don't have the community backin' us, and we don't have the community involved in it, it's just gonna keep goin' and goin' "

Sheriff Leon Lott, RCSD: "**So my plea to everybody is, you gotta get involved.** If you don't, then it's gonna continue. So, help us. Become a partner. Become a partner in what we're tryin' to do. Be part of the solution, not part of the problem."

[[CCL: Are Christians welcome to become involved with Biblical moral and spiritual input ?](#)]

Chief Skip Holbrook, CPD: "We gotta have ownership of the problem."

Chief Skip Holbrook, CPD: "We're not movin' the needle yet, and it's gonna take an effort from everybody to make that happen."

Chief Skip Holbrook, CPD: "We've gotta do somethin' a little bit differently."

**** Children killed in the womb remains Richland County's greatest threat. In 2018, SC DHEC reported 1,471 children were "aborted" (i.e., destroyed in their mothers' wombs) at the Planned Parenthood child-extermination center located at 2712 Middleburg Drive, Suite 107 (ironically, located in the same building as Magistrate's Court in Suite #106).*

That's over 28 children PER WEEK killed in Richland County ! This violence perpetrated upon children in the womb by Planned Parenthood in Columbia has gone on for decades.

God is not mocked, whatever a man, or a city (Columbia), state (SC), or nation (USA) sows, that it will also reap (Galatians 6:7, KJV). Columbia / SC / USA have **SOWN** a sea of innocent blood **INSIDE** the womb (abortionno.org), and so continue to **REAP** bloodshed **OUTSIDE** the womb.

The gun violence problem in Columbia and Richland County (SC) has moral, and ultimately, spiritual roots.

Ezekiel 22:1 - 4a, [KJV](#)

- 1 Moreover the word of the LORD came unto me, saying,
2 Now, thou son of man, wilt thou judge, wilt thou judge the **bloody** city? yea, thou shalt show her all her abominations.
3 Then say thou, Thus saith the Lord GOD; The city sheddeth **blood** in the midst of it, that her time may come, and maketh idols against herself to defile herself.
4 Thou art become guilty in thy **blood** that thou hast shed; and hast defiled thyself in thine idols which thou hast made; ...

Hosea 4:1 - 3a, [KJV](#)

- 1 Hear the word of the LORD, ...: for the LORD hath a controversy with the inhabitants of the land, because *there is* no truth, nor mercy, nor knowledge of God in the land.
2 By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and **blood** toucheth **blood**.
3 Therefore shall the land mourn, and every one that dwelleth therein shall languish, ...

There are three "abortion" centers in South Carolina. One of them is in Richland County (Planned Parenthood). Out of the 46 counties in South Carolina, Richland County had the second highest number of child-murders by "abortion" in the State perpetrated in the county, at 1,471 in 2018 [SC DHEC "Occurrence" statistics (by location)]

Total "Occurrence" "abortions" in SC for 2018: 4,646.

Total "Occurrence" "abortions" in SC for [2017](#): 5,112.

Total "Occurrence" "abortions" in SC for [2016](#): 5,736.

Furthermore, SC DHEC also reports the number of "abortions" by the county of residence of the mothers. At approximately 1,400 per year, Richland County has the highest number of mothers "aborting" [murdering] their own children in their womb, more than any other county in South Carolina [SC DHEC "Residence" statistics (by mother's county of residence); [2016](#) and [2017](#)].

Total "(SC) Residence" "abortions" on SC resident mothers for [2017](#): **10,649**.
"Abortions" perpetrated on Richland County resident mothers for [2017](#): **1,385**

Total "(SC) Residence" "abortions" on SC resident mothers for [2016](#): **10,716**.
"Abortions" perpetrated on Richland County resident mothers for [2016](#): **1,418**

Bloodshed follows Bloodshed

"Blood toucheth blood", Hosea 4:2, [KJV](#).

[Note the number of child-murders by "abortion" perpetrated upon mothers who are South Carolina residents (10,649 in [2017](#)) is more than twice the number of child-murders by "abortion" actually perpetrated within the geographical borders of South Carolina (5,112 in [2017](#)). This shows that more than twice as many South Carolina mothers "aborted" their children, either in South Carolina or outside the State, than the number of children actually "aborted" within the geographical borders of South Carolina. In other words, a large number of South Carolina mothers are going outside the State to have their baby killed.]
