SC Senate Hearings (2) for Heartbeat Incremental Child-Murder 'Regulation' Bill H3020 - Sept 10, 2019

The SC Heartbeat Bill does **not** Establish Justice ...

Those who support legislation to incrementally 'regulate' child-murder demonstrate a lack of understanding of the [Nature](#) and Purpose of Law; such legislation which **"allow[s] or injoin[s] us to commit"** child-murder, is an offense to **"both the natural and the divine."** How many [persons](#) must a murderer murder to be a murderer? Answer. One.

[William Blackstone](#)

[Commentaries on the Laws of England \(1765-1769\)](#)

Volume I, Books I & II

INTRODUCTION

Section II., OF THE NATURE OF LAWS IN GENERAL

pp. title, 25, 28, 29

<http://christianlifeandliberty.net/Blackstones-Commentaries-1863-Introduction-Section-II-Of-the-Nature-of-Laws-in-General-pp-title-25-28-29.pdf> [1863]

“Upon these two foundations, **the law of nature and the law revelation, depend all human laws;** That is to say, **no human laws should be suffered to contradict these.**” [emphasis added]

God's Requirement for Murder is **JUSTICE**, not **"Regulation"** !!! [Micah 6:8, Amos 5:15, [KJV](#)]

In the last 46 plus years since 1973, [over 61 million](#) reported children have been murdered inside the wombs of their mothers in the United States of America, a now [formerly majority](#) **"Protestant"** country. In so-called "Bible-belt" [sic] South Carolina, that figure is [over 397,000](#). Incrementalism has failed, just as it failed in the 19th Century against the national sin of American Slavery. It is flawed, faithless, and unbiblical. The incrementalists like to cite the numbers of "babies saved". Meanwhile, God's cup of wrath is filling with the **innocent blood** of all the babies still being exterminated. The goal is not just to spend multiple generations "saving babies"! The goal is to glorify God by honoring His Holy Word, and laboring to **Establish Justice, END** child-murder in the womb, and thereby save ALL the babies. Man's Duty is to Agree with God.

Heaven and History are recording and will, Lord willing, more fully reveal in time, the moral bankruptcy of incrementally "regulating" the murder of children in the womb. Will it take 5, 10, 25, or more years for Americans, even more, *Christians*, to see "regulating" the age and manner innocent children in the womb can be exterminated is just as wicked and depraved as it would have been to "regulate" the age and manner in which Jews and others were gassed with [Zyklon B](#) in the extermination camps in Germany and Poland by the Nazis in the 1940's?

In America, the [1860 Republican Party Platform](#) sought essentially to "regulate" American Slavery, limiting and restricting where this abomination could be practiced, but not **ENDING** it. However, "regulation" of this national sin was insufficient to prevent God's judgment in the form of national calamity 1861-1865, in which an estimated 600,000 - 700,000 Americans died. Without repentance, and the [Establishment of Justice](#) to **END**, not just "regulate" child-murder by "abortion", America may once again be on her way to receive God's calamitous judgment in the form of a national bloodbath. [It has happened before.](#)

Two Senate Medical Affairs Subcommittee Hearings were held on Tuesday, September 10, 2019 for [H3020](#) Heartbeat Bill in the SC Senate Gressette Building, near State House, Columbia, SC

Note: [H3020](#) already passed the SC House of Representatives on April 25, including the [adoption of the](#) [Rep. Nancy] [Mace Amendment](#) to continue allowing the murder of children conceived by rape or incest, even if a heartbeat is detected.

Senate Medical Affairs Subcommittee members present September 10:

Senator [Shane Martin](#) (R-Spartanburg), Chairman
Senator [Richard Cash](#) (R-Anderson)
Senator [Tom Corbin](#) (R-Greenville)

Senator [Kevin Johnson](#) (D-Clarendon)
Senator [Marlon Kimpson](#) (D-Charleston)
Senator [Margie Bright - Matthews](#) (D-Colleton) [late]

Absent: Senator [Mike Gambrell](#) (R-Anderson)

Non-subcommittee member Senators present for part of the time September 10 included:

Senator [Brad Hutto](#) (D-Orangeburg) [actually took part in subcommittee proceedings though not a member]
Senator [Mia McLeod](#) (D-Richland) [actually took part in subcommittee proceedings though not a member]
Senator [Wes Climer](#) (R-York)

CCL Note: Some **SC House members** were also present for all or part of the time September 10, including **four who testified in support of the incremental, child-murder "regulation" Heartbeat Bill: Rep. John McCravy** (House Bill H3020 sponsor - explained the bill and asserted "US Supreme Court, ... can change the viability standard to be measured by the heartbeat"), **Rep. Josiah Magnuson (R), Rep Stewart Jones (R), and Rep. Garry Smith (R).**]

CCL Note: Subcommittee members Senators **Kevin Johnson, Marlon Kimpson, and Margie Bright-Matthews,** and non-subcommittee members Senators **Brad Hutto** and **Mia McLeod** represent some of the most extremely **pro-child-murder by "abortion"** members in the SC Senate. Other than the Biblical understanding of the human heart being "deceitful above all *things*, and desperately wicked" [Jeremiah 17:9, [KJV](#)], it is hard to understand how educated (three of these five [Senators](#) are lawyers, two [improperly] "educated" at the University of South Carolina Law School, and one at **JESUIT** Georgetown University Law Center), "civilized" men and women, can defend allowing the "choice" to commit **THIS**. Senator Johnson notably emphasized in one of his public pronouncements while seated on the Subcommittee rostrum, how "abortion" was the woman's "choice". As one pastor spontaneously responded from the audience, "What about the baby's choice?" The wickedness of these and other pro-"abortion" members of the SC Senate, is grievous, egregious, and abominably wicked beyond measure. No elected official who supports allowing the shedding of innocent blood such as in the case of child-murder by "abortion" is fit for public office. That certainly applies to Senators **Johnson, Kimpson, Bright-Matthews, Hutto, and McLeod** above [and others].

Senators **Johnson, Kimpson, and McLeod** have received [campaign funding from mass-murderers Planned Parenthood](#).

Of course, there was also no shortage of members of the public who likewise supported the murder of children inside the womb, and who testified at one of the two sessions of Hearings, 10 AM [[Video](#)] or 2PM [[Video](#)] on September 10 before the Senate Medical Affairs Subcommittee.

In any case, nevertheless, ...

Incremental Child-Murder 'Regulation' Bills like
the SC Heartbeat Bill do **not** Establish Justice ...

Heartbeat Bill [H3020 Subcommittee Meeting](#) (tentatively) Tuesday, October 22, 2019;

SC Senate Gressette Building, near State House, Columbia, SC

<http://christianlifeandliberty.net/2019-09-30-Incremental-Child-Murder-Regulation-Bills-like-the-SC-Heartbeat-Bill-do-not-Establish-Justice.pdf>

Many evangelical Christians in SC follow Roman Catholic false, unbiblical leadership in supporting incremental child-murder "regulation" bills, such as the Heartbeat Bill, which do not Establish Justice (Amos 5:15, Isaiah 3:12, Isaiah 9:16, [KJV](#)):

Sadly, many "pro-life" people, both Christians and Roman Catholics, testified in support of a bill which on its face, rejects the authority of God's Word (e.g., Exodus 20:13, Matthew 19:18, [KJV](#)) vis-a-vis the Sanctity of Human Life. *And we wonder why God does not honor our efforts more fully to actually **END**, instead of incessantly, incrementally, "regulate", the murder of children in the womb !!!*

While *as a matter of doctrine* [[Catechism of the \[Roman \] Catholic Church - #82](#)], *Roman Catholicism does not uphold the Bible as the only final, supreme authority of revealed truth, it is shameful to see professing Bible-believing Christians following the erroneous lead of Romish and ecumenical "pro-life" [sic] and "pro-family" [sic] organizations by publicly advocating passage of legislation which does not honor God's Word, and does not Establish Justice for all human beings, such as the Heartbeat Bill H3020.*

This is what happens when God's people (born-again Christians) follow the misguided / false / errant leadership of those who doctrinally do **NOT** hold the Word of God, the 66 books of the Bible, as their final, supreme authority of revealed truth (such as is the case with obedient followers of the [false religion of Roman Catholicism](#), which in any case uses a false "bible" of 73 books, in accordance with the Vatican's official Pope-approved [Catechism of the \[Roman \] Catholic Church - #138](#)).

So why are born-again Christians following the false, misguided, errant leadership of Romish / ecumenical "pro-life" organizations which advocate the failed, flawed, faithless, unbiblical legislative strategy of incrementally "regulating" child-murder ?!! Where there is no (spiritual, prophetic) vision, the people perish: ..." Proverb 29:18, [KJV](#).

Without the supreme, final authority of the Bible (Exodus 20:13, Matthew 19:18, Amos 5:15, Psalm 89:14, Proverb 21:3, [KJV](#)) as Rome's supreme, final authority, the Papacy has legitimized supporting legislation to *incrementally* "regulate" child-murder:

Papal Legitimization of Incremental Child-Murder "Regulation" Legislation: [[EV](#), #73.]

[EVANGELIUM VITAE](#) ("[The Gospel of Life](#)" [sic]) 25 March 1995 [Roman Catholic Pope John Paul II [papal encyclical](#)]

WHAT DOES IT MEAN TO BE BIBLICALLY "PRO-LIFE" ?

Being Biblically "Pro-Life" means [agreeing with God](#) regarding the Sanctity of Human Life which He Created !!

It is the **Scriptures, the Bible (66 Books), the Word of God**, which is the authoritative and rightful source of human law.

For the Bible-believing Christian that truth corresponds well with his or her own affirmation of the Bible as his or her own ***supreme, final authority***. The Bible is the supreme, final authority for the born-again Christian. However, by definition, the Bible (66 books) is not the supreme, final authority for any other (false) religion, whether that false religion is Islam, Judaism, Hinduism, Buddhism, Mormonism, Roman Catholicism, etc., etc.

As regards Roman Catholicism, the false Roman Catholic "bible" [*sic*] has 73 books, not 66 books, despite stern warnings in the Word of God not to add or subtract from God's Word [e.g., Proverbs 30:5,6; Revelation 22:18,19, [KJV](#)].

Unlike as for Biblical Christianity, the Bible is not the supreme, final authority for Roman Catholicism. Rome claims "[Both Scripture and Tradition](#)" as her authority, as interpreted by the Roman Catholic Church Hierarchy.

So how can professing Christians "yoke up" with followers of the false religion of Roman Catholicism when [Roman Catholicism is NOT Biblical Christianity](#), and does not have the same Biblical supreme, final authority ? "Can two walk together, except they be agreed?" Amos 3:3, [KJV](#).

Ans.: They cannot and be obedient to God and His Holy Word, e.g., 2 Corinthians 6:14-18; Ephesians 5:11-13, [KJV](#).

Personhood is Abolition

- Personhood is abolition. Here in South Carolina, we have advocated passage of State personhood legislation continuously for the last 19 years since 1998 [[History of Personhood Legislation in South Carolina \(1998 - 2016 \)](#)].

The current 2017 legislation in the SC Legislature is called the Personhood Act of South Carolina ([S .217 / H.3530](#)).

- South Carolina Personhood legislation recognizes the Creator God-given, unalienable right to life of every human being as a "person" beginning at fertilization, in SC law.

Two Senate Medical Affairs Subcommittee Hearings were held on Tuesday, September 10, 2019 for [H3020](#) Heartbeat Bill in the SC Senate Gressette Building

Below are four of some of the key individuals providing misguided / false / errant "pro-life leadership" in South Carolina, who publicly testified in support of the [H3020](#) Heartbeat Bill which incrementally "regulates" the murder of human beings in the womb of their mothers

(something mankind has no authority under God to do whatsoever !),

on September 10, 2019 before the SC Senate Medical Affairs Subcommittee:

Two of these four are Roman Catholics, and two are ecumenical "protestants" [*sic - consider where the word "Protestant" came from, and what the Reformers of the 16th century were **PROTESTING !!!**] . In addition, the name of one ecumenical "baptist" [*sic*] was also invoked, with his permission, by one of the Roman Catholics, the two of whom co-signed an ecumenical [Joint Letter](#), purportedly representing the Roman Catholic Diocese of South Carolina and the South Carolina Baptist Convention.*

[**CCL Note: One can only imagine how many of the pastors of the estimated 1,500 SC Baptist Convention churches in South Carolina would object to "yoking up" with the Roman Catholic Diocese of South Carolina, if they knew about this [Joint Letter](#), purportedly representing the Roman Catholic Diocese of SC and the South Carolina Baptist Convention ! Who authorized Joe Mack to sign this [Joint Letter](#) on behalf of the SC Baptist Convention ?]**

Four key individuals providing misguided / false / errant "pro-life leadership" in South Carolina by advocating passage of the incremental child-murder "regulation" Heartbeat Bill H3020:

Holly Gatling - Executive Director, SC Citizens for Life (registered lobbyist)

Lisa van Riper - President, SC Citizens for Life

Joshua Putnam - President, Palmetto Family Council

Michael Acquilano, Esq. - Director, Catholic Conference (public policy arm)
of the Roman Catholic Diocese of Charleston (encompasses entire state of SC)

Note: Michael Acquilano publicly mentioned [Joe Mack](#) by name as the co-signer of a [Joint Letter](#) from the Roman Catholic Diocese of Charleston (SC) and the South Carolina Baptist Convention. [Joe Mack](#) is a registered lobbyist for SC Citizens for Life. [Joe Mack](#), [SC Baptist Convention](#), and [SC Citizens for Life registered lobbyist](#) was in the Hearing room also, although he did not testify.

September 10, 2019: Audience prior to beginning of 10 AM Hearing for incremental, child-murder “regulation” Heartbeat Bill H3020, in Room 105, Senate Gressette Building. **Speakers in support** of Heartbeat Bill included: **Rep. Josiah Magnuson** (front row, red tie); two pastors in second row (facing camera, with light green and gray ties respectively), **Michael Acquilano, Esq.** (looking back over his left shoulder); **Alexia Newman** (wearing glasses, tapping her smartphone, next to Acquilano to his right); and **Joshua Putnam** (with bow tie, next to Newman to her right).

Key individuals providing misguided / false / errant "pro-life leadership" in South Carolina, who publicly testified in support of the [H3020](#) Heartbeat Bill to incrementally "regulate" the murder of human beings in the womb of their mothers, on September 10, 2019 before the SC Senate Medical Affairs Subcommittee, in order of testifying:

1. [Michael Acquilano, Esq.](#) - Director, Catholic Conference (public policy arm) of the Roman Catholic Diocese of Charleston (encompasses entire state of SC)

September 10, 2019 at the SC Senate Medical Affairs Subcommittee Hearing for the H3020 Heartbeat Bill:

Testifying at podium:

Michael Aquilano, Esq., Roman Catholic Director of the Catholic Conference [public policy arm] of the Roman Catholic Diocese of Charleston (SC) testified in support of the H3020 Heartbeat Bill, and referred to this Joint Letter from the SC Roman Catholic Diocese and the SC Baptist Convention supporting the H3020 Heartbeat Bill. Notice the wording in this blasphemous Joint Letter, "Together, in an act of Christian [*sic*] unity, we sign this joint letter ..." between the Roman Catholic Diocese of Charleston (SC) and the South Carolina Baptist Convention. **Joe Mack, signing as "**Director (?), South Carolina Baptist Convention**", should be removed immediately from whatever official position he has with the SC Baptist Convention for this **betrayal of Christ and Christianity**. Roman Catholicism is NOT Biblical Christianity. **Is Joe Mack BOTH "Director, South Carolina Baptist Convention" AND a registered lobbyist with SC Citizens for Life ?****

"My name is **Michael Aquilano**, and I am the Director of the South Carolina Catholic Conference, which is the public policy office of the Diocese of Charleston, which is the [Roman] Catholic Church in South Carolina. And I was given permission today by **Joe Mack**, who is the Baptist representative, to invoke his name. **We stand here today as the [Roman] Catholic Diocese and the Baptist Convention** in favor of this bill, representing over a million faithful Ca ... South Carolinians across the Palmetto State. **Together in an act of Christian unity [sic !!! - Roman Catholicism is NOT Biblical Christianity], we sign this joint letter** of support for House Bill 3020, the Heartbeat Bill as a challenge to the current legal precedent ... " [continued]

CCL Note: There was unity at the Tower of Babylon also, but it sure wasn't a "unity" pleasing to God. God confounded their language and scattered them abroad (Genesis 11:7,8, [KJV](#)).

Is this not exactly what Rome is after, the ecumenical joining in spiritually adulterous "unity", of professing protestants, baptists, evangelicals, with the Harlot false "church" of Rome ? The so-called "pro-life movement" has been and continues to be a fruitful platform for incessant ecumenical activities (e.g., LIFECHAIN, and "40 Days for Life", aka 40 Days of Rosaries) between Romanists and ecumenical professing protestants, baptists, and evangelicals. It is sin for Christians to "yoke up" with unbelievers (2 Corinthians 6:14-18, [KJV](#)).

This unbiblical practice of "co-belligerency" between Roman Catholics and professing Christians has been rightfully denounced by the American Council of Christian Churches:

[American Council of Christian Churches](#)
77th Annual Convention, October 23-25, 2018
Bible Presbyterian Church of Collingswood, NJ
[Resolution on the \[False \] Doctrine of Co-belligerence](#)

"We desire righteousness in our land, but the ecumenical compromise, which the [false] doctrine of co-belligerence requires, ultimately undermines that righteousness by erasing fundamental doctrinal distinctives between believers and unbelievers. By God's grace we determine to continue to have no part in that compromise."

And so, the **perpetuation** of child-murder by "abortion" in the United States is to **Rome's satanic advantage** in fulfilling the Vatican's objective to nullify the Reformation, as per the [Decree on Ecumenism](#) in the [Second Vatican Council](#) (1962-1965).

Now does that help make more sense out of the **OPPOSITION** of the U.S. Conference of [Roman] Catholic Bishops to **ENDING** "abortion" in multiple states by establishing "Personhood" !? [See [Personhood Report](#) below]

God says:

**"As for My people, children are their oppressors, and women rule over them.
O My people, they which lead thee cause thee to err, and destroy the way of thy paths." Isaiah 3:12**

"For the leaders of this people cause them to err; and they that are led of them are destroyed." Isaiah 9:16, [KJV](#)

Christians, stop following misguided, false, errant Romish and ecumenical leadership which does not uphold the Word of God !!!

The Roman Catholic [False] "Church" Hierarchy is NOT Pro-Life !

Furthermore, if the Roman Catholic Church institutional Hierarchy (Bishops, Archbishops, Cardinals, Pope), were really, truly, actually "Pro-Life", then why are the [Pope-appointed](#) Roman Catholic Bishops in the United States of America in multiple States **NOT supporting "Personhood" legislation ? Why is the Roman Catholic Church Hierarchy in the United States *against* the **ENDING** of child-murder-by-"abortion" by establishing justice through recognizing the God-given, unalienable right to life as "persons" of all pre-birth human beings, at fertilization (conception), and that without "exception", because God says, "Thou shalt not kill (murder)." However, there is even more here beyond the public yoking of the Roman Catholic Diocese of Charleston (SC) and the South Carolina Baptist Convention through the agency of Roman Catholic **Michael Acquilano, Esq.** and professed SC Southern Baptist **Joe Mack**.

Ecumenical, child-murder "regulation" incrementalist Joe Mack is also a member of the [SC Advisory Committee](#) to the globalist, pro-"abortion", pro-"sodomite", US **Global Leadership Coalition** (**USGLC** - www.usglc.org):

USGLC in South Carolina

(click on: "View Full Advisory Committee" below co-chairs **David Wilkins** and **Dick Riley**)

<https://www.usglc.org/in-your-state/south-carolina/>

Notice all the **pro-aborts** who are also members of the [SC Advisory Committee to the US Global Leadership Coalition](#): e.g., SC Senator **Kimpson**, SC Rep **Todd Rutherford**, SC Rep **Beth Bernstein**, former Columbia Mayor **Bob Coble**, current Columbia Mayor **Steve Benjamin, Sam Tenenbaum** (former [Planned Parenthood Board Advisor](#), and husband of former **pro-"abortion" lobbyist Inez Tenenbaum**), and former SC Rep and former SC gubernatorial candidate, **James Smith**.

Senator **Kimpson**, and Representatives **Rutherford, Bernstein**, and former SC Rep and former SC gubernatorial candidate, **James Smith** have all received [campaign funding from mass-murderers Planned Parenthood](#).

And there's even more:

The [General Membership](#) of the national **USGLC** includes:

- 1) The [Planned Parenthood Federation of America](#) ([mass-murderers](#) of over 300,000 human babies per year);
- 2) The pro-sodomite, so-called, [Human Rights Campaign](#); and,
- 3) **George Soros' Open Society organization**. Open borders, anti-sovereignty, globalist **George Soros** is a [Bilderberger](#), and a [member](#) of **Rome's Jesuit-Vatican New World Order**, [treasonous, Jesuit-controlled, Council on Foreign Relations](#) (**CFR**), the One-World Government advocating and enabling organization.

So **Joe Mack** is indirectly associated with **Planned Parenthood**, the **Human Rights Campaign**, and **George Soros** by his membership in the [SC Advisory Committee](#) to the **USGLC**.

And there's even more still; however, briefly, the national **US GLOBAL Leadership Coalition** is basically another front for **Rome's Jesuit-Vatican New World Order**. Just begin by looking at the prominent [members](#) of **Rome's Jesuit-Vatican New World Order**, [treasonous, Jesuit-controlled, Council on Foreign Relations](#) (**CFR**), the One-World Government advocating and enabling organization, who are shown [here](#) as **"LEADING VOICES"** on the **USGLC** home page: **Colin Powell, Madeleine Albright, Condoleezza Rice, Robert Gates, David Petraeus**; all prominent [CFR-member](#) globalist traitors to American sovereignty and the US Constitution.

SC Citizens for Life letter

Co-signed by Lisa van Riper (SCCL President), Joe Mack (SCCL Senior Policy Advisor), Holly Gatling (SCCL Executive Director)

<https://scstatehouse.gov/CommitteeInfo/SenateMedicalAffairsCommittee/SC%20Citizens%20for%20Life.pdf>

[Includes 8th Circuit Court of Appeals Opinion]

[Excerpts, emphasis, comments added]

Holly Gatling:

"Since the beginning of the pro-life movement in 1973, the most popular motto has been "Abortion stops a beating heart."

CCL Note: This "motto" is eclipsed by the most frequent pro-life expression affirming the sanctity of human life which is: "Life begins at conception."

Holly Gatling:

"In a civilized society, we should all agree that the human heartbeat is the objective scientific proof of life."

CCL Note: FALSE. Life begins at conception, not at detection of a heartbeat, which occurs approximately six weeks later.

Holly Gatling:

"South Carolina Citizens for Life, and many other pro-life and pro-family organizations support H3020 as a challenge to the current legal precedent that permits abortion on demand in South Carolina until the child is capable of feeling pain, which is scientifically documented at 20 weeks post-fertilization."

CCL Note: Not all pro-life organizations support incremental child-murder "regulation" bills such as H3020, including Christians for Personhood and Columbia Christians for Life, as well as Christian pastors, and individual Bible-believing Christians who affirm the supreme authority of God's Word, the Bible.

CCL Note: While SC Citizens for Life (SCCL) was successful once again in dumbing-down the moral and legal standard for the sanctity of human life in the case of an earlier incremental child-murder regulation bill, the so-called 20-Week Pain-Capable Bill in 2016 [[H3114](#)], by arguing in favor of the bill's passage because the unborn baby feels pain at 20 weeks, it is worthy of note that over 30 years earlier (1984), a video which inspired many in an earlier generation to become involved in pro-life efforts, called "[The Silent Scream](#)", narrated by a former abortionist who had become pro-life, was called such because of the apparent cries of the unborn child as he/she was destroyed by suction during an actual "abortion" recorded on ultrasound: "During the abortion process, the fetus is described as appearing to make outcries of pain and discomfort." Although not "scientifically documented" [?], the graphic video in "[The Silent Scream](#)" of an actual "abortion" is nevertheless real evidence pain is felt by the unborn at least as early as 12-weeks in the womb; and we knew this over 30 years ago, the advocacy by SCCL of the 20-Week Pain-Capable Bill in 2016 notwithstanding.

Holly Gatling:

"We are encouraged that the 8th Circuit Court of Appeals in a decision called [MKB] Management Corp. v. Stenehjem, held that ... in that decision the court questioned the validity of abortion precedent and laid out many reasons for the U.S. Supreme Court to re-evaluate the current standard of abortion **restrictions**. I have a copy of the Opinion to submit to the Committee.

CCL Note: Note the mindset: "restrictions" on abortion, not the establishment of justice to **END** "abortion" (child-murder).

Holly Gatling:

"In addition to South Carolina Citizens for Life, other groups supporting H3020 include South Carolina Baptist Convention, ... The [**Roman**] Catholic Diocese of Charleston [SC], Palmetto Family and Nehemiah Network, North Greenville University Worldview Center, the South Carolina Association of Pregnancy Care Centers, Concerned Women for America, the Christian Chamber of Commerce, and the Palmetto Conservative Alliance."

CCL Note: Once again, not all pro-life organizations support incremental child-murder "regulation" bills such as H3020, including Christians for Personhood and Columbia Christians for Life, as well as Christian pastors, and individual Bible-believing Christians who affirm the supreme authority of God's Word, the Bible.

CCL:

America has fallen so far from her roots of 400 years ago in Christ and His Word; and has so embraced Romish thinking (2 Corinthians 10:5, [KJV](#)); even as to become captive to the unconstitutional plague of judicial supremacy, foolishly submitting to the tyranny of accepting Supreme Court *Opinions* (!!!) as the "supreme law of the land", despite the fact any literate person can read [Article VI](#), [Cl 2](#) of the [US Constitution](#) and see that is [not the case](#) !!!

The US Supreme Court has done to the US Constitution what the Roman Catholic Church Hierarchy has for centuries done to God's Word, the Holy Bible: usurped, perverted, ignored, corrupted and rejected the authority of the written text for its own pronouncements:

**The Christian Statesman - "For the Crown Rights of Jesus Christ"
"Court Tradition, or the Constitution Alone?"**

November-December 2005 Vol. 148., No. 6, pp. 15-19.

Excerpts [pp. 15-16]

'... the [US] Supreme Court became to the [US] Constitution what the Roman Catholic Church had become to the Bible. Constitutionally speaking, there are few "Protestants" today. Few believe in the doctrine of the [US] Constitution alone. Few even know it exists.'

We Are All Constitutional Romanists Now [FN 4]

'During the Reformation, Roman Catholics and Protestants were divided by a basic, theological question. On what did authority rest? Did it rest on the Bible plus church tradition or on the Bible alone? The same theological question divides Romanists and Protestants today. Rome holds to tradition. Protestants reject it.'

'In the constitutional realm, a similar question should divide Americans today. On what does the legal authority of the government of the United States rest? On the Constitution plus Court precedents or on the Constitution alone? In the political establishment there is no doubt. The Constitution plus Court precedent are the pillars of authority. This gives the men and women of the legal establishment great power ... when it comes to the ultimate law of the United States, virtually all Americans today are "Romanists." '

'Of course, ignorance permits deception. Americans must become constitutionally literate. There must be a reformation in the way citizens see the role of the [Supreme] Court. There must be a people who raise the banner of "The Constitution Alone." Christians must be those people. They should be able to see the parallel between Scripture Alone and Constitution Alone.'

INTRODUCTION

Section II., OF THE NATURE OF LAWS IN GENERAL

<http://christianlifeandliberty.net/Blackstones-Commentaries-1863-Introduction-Section-II-Of-the-Nature-of-Laws-in-General-pp-title-25-28-29.pdf> [1863]

"The doctrines thus delivered we call **the revealed or divine law, and they are to be **found only in the holy scriptures.**"**

"Upon these two foundations, **the law of nature and the law of revelation, depend all human laws; that is to say, no human laws should be suffered to contradict these." [Excerpts, emphasis added]**

Illinois State Supreme Court (Richmond v. Moore, 1883)

"... our laws and our institutions must necessarily be based upon and embody the teachings of the Redeemer of mankind. It is impossible that it should be otherwise. In this sense and to this extent, our civilizations and our institutions are emphatically Christian, ..." [47 Am.Rep. 449] [Emphasis added]
