The SC Heartbeat Bill is **NOT** a Pro-Life Bill

Incremental Child-Murder 'Regulation' Bills like the SC Heartbeat Bill do **not** Establish Justice ...

SC Heartbeat Bill [H3020](#) Full [Senate Medical Affairs Committee Meeting](#) , chaired by Senator Danny Verdin (R-Laurens) is scheduled for Tuesday, November 5, 2019, 10:00 am, SC Senate Gressette Building (Room 105), vicinity State House, Columbia, SC

Principled Pro-Personhood Christians:

Please call / text / e-mail the 10 Republican [SC Senators](#) below on the 17-man Senate Medical Affairs Committee to Vote "**No**" to the incremental, child-murder 'regulation' Heartbeat Bill [H3020](#) **IN THE FULL COMMITTEE** on Tuesday, November 5, 2019 !!!

(Public testimony in SC Senate for H3020 was September 10;
Subcommittee debate and 4Y - 3N vote was Tuesday, October 22)

Be sure to tell them you are a principled, pro-personhood pro-lifer.

Pro-personhood means pro-personhood, **not** pro-personhood PLUS pro-incremental "regulation" of child-murder. The Heartbeat Bill protects **NO** UNBORN CHILDREN prior to detection of a heartbeat !!! To vote for yet another incremental child-murder "regulation" bill after over 25 years of passing such wicked legislation in the SC Legislature is **PERPETUATING** child-murder by "abortion" in South Carolina instead of **ENDING** it !!!

Tell these 10 Republican SC Senators it is **NOT** a Pro-Life vote to vote to incrementally "regulate" the murder of children in the womb !!!

WHAT DOES IT MEAN TO BE "PRO-LIFE" BIBLICALLY ?

Being "Pro-Life" Biblically means [agreeing with God](#) regarding the Sanctity of Human Life which He Created !!

Senator [Danny Verdin](#), Full Committee Chairman

Senator [Shane Martin](#), H3020 Subcommittee Chairman

Senator [Thomas Alexander](#)

Senator [Paul Campbell](#)

Senator [Richard Cash](#)

Senator [Tom Corbin](#)

Senator [Tom Davis](#)

Senator [Mike Gambrell](#)

Senator [Harvey Peeler](#)

Senator [Sandy Senn](#)

ALL Heartbeat bills have a huge “EXCEPTION”

<http://christiansforpersonhood.com/index.php/2019/04/08/all-heartbeat-bills-have-a-huge-exception/>

Detection of an unborn child's heartbeat occurs at six weeks or later:

The Heartbeat Bill does **NOT** protect ALL children !!!

The Heartbeat Bill allows the killing of **ALL** children before detection of a heartbeat.

The Heartbeat Bill protects **NONE** of these children below:

The Heartbeat Bill does **not** establish justice ...

*Therefore, for any SC Senator to vote for the **unjust** Heartbeat Bill [[H3020](#)] **is a violation of his Oath of Office.***

*Each of the four SC Senators*** who voted for the Heartbeat Bill in Subcommittee on October 22, 2019 did so in violation of his sworn Oath of Office.*

**** Shane Martin, Richard Cash, Tom Corbin, Mike Gambrell*

Excerpts from [testimony](#) given by Christian pro-life missionary opposing incremental child-murder "regulation" Heartbeat Bill before Constitutional Laws Subcommittee of SC House Judiciary Committee, March 21, 2019: [emphasis added]

"The Heartbeat Bill **does not establish justice for all human beings at fertilization**, but chooses a biological benchmark which may occur and be detected a month and a half, or later, after fertilization, and allows all human beings in the womb prior to that point to be exterminated."

"The Oath of Office concludes with the words "preserve, protect, and defend the Constitution of this State and of the United States, So Help me God." [Note: This Oath is found in the South Carolina Constitution, Article III., Section 26.] So the Oath includes not only upholding the State Constitution, but also the U.S. Constitution. Preamble of the U.S. Constitution includes among the purposes for which the Constitution was ordained and established, that of to "establish Justice"."

"Therefore, because the Heartbeat Bill does not "establish Justice" for any human beings prior to approximately 6 weeks old, it violates the Preamble of the U.S. Constitution, which SC Representatives are sworn to "preserve, protect, and defend." "

SCCL Executive Director Holly Gatling; SCCL President Lisa van Riper

2. Palmetto Family

SC Senate Hearings (2) for Heartbeat Incremental Child-Murder 'Regulation' Bill H3020 - Sept 10, 2019

The SC Heartbeat Bill does **not** Establish Justice ...

Those who support legislation to incrementally 'regulate' child-murder demonstrate a lack of understanding of the [Nature](#) and Purpose of Law; such legislation which "allow[s] or injoin[s] us to commit" child-murder, is an offense to "both the natural and the divine." How many *persons* must a murderer murder to be a murderer? Answer. One.

To vote **"YES"** in the Committee is to greatly increase the likelihood of passage of the unbiblical, unjust, incremental, child-murder "regulation" Heartbeat Bill ([H3020](#)) on the floor of the SC Senate.

In light of the fact the Heartbeat Bill has [already passed](#) the fake "pro-life" *[sic]* Republican-SUPER-MAJORITY SC House [albeit with selectively pro-“abortion” Rep Nancy Mace's (R) "[exceptions](#)" [amendment](#) to allow continued killing of rape and incest babies, even with a heartbeat detected], and now has also passed the H3020 Senate Subcommittee on October 22, 2019 [with the "exceptions" for rape and incest removed], **to vote "YES" in the Senate Medical Affairs Committee may be tantamount to passing the unjust child-murder "regulation" Heartbeat Bill into law.** Governor McMaster, supposedly pro-personhood ([really ?](#)), is expected to sign the incremental child-murder "regulation" Heartbeat Bill into law if passed by both the fake ‘pro-life’ *[sic]* Republican-Super-Majority SC House and the fake ‘pro-life’ *[sic]* Republican-Majority SC Senate.
