John MacArthur ( Excerpts ):

"What we read then, in verse 35, is, it is disgraceful for a woman to speak in church, it is shameful."

"Perhaps women pastors and women preachers are the most obvious evidence of churches rebelling against the Bible."

"Women who pastor, women who preach in a church, are a disgrace, and they openly reflect opposition to the clear command of the Word of God."

"When women take over a culture, men become weak; when men become weak, they can be conquered, ... You're watching that happen in this country."

"As more and more and more and more women ascend to power, more and more men become weaker and weaker and weaker, and the level of vulnerability just keeps escalating."

"Don't misunderstand this. This, this is what we are living in today. The curse has been legitimized, ..."

"Empowering women makes weak men, weak men make everybody, everybody, vulnerable to danger."

Re: Isaiah 3:12

"When you overthrow the divine order, the results are always disastrous."

"...it's a divine judgment on a nation that its young and its women are in power."

Christians for Life and Liberty:

CLL Notes:

1) May more evangelical Christians hear and apply this sermon. Women preachers, and women civil rulers, are NOT God's divine order. God is right, not the feminists, and not the weak men who do not stand for AND APPLY God's Word. His Word is Truth. God's Word, the Christian Bible, is the supreme, final authority.

2) The New Testament Scriptures cited by John MacArthur are from a Bible translated from a non-Majority-Text Greek manuscript. The King James Version and the 1599 Geneva Bible are translated from the Textus Receptus, and are the best widely available representations in English of the Majority Traditional Text.

3) **God's command in Genesis 1:28, [KJV](#) is, "Be fruitful, and multiply,..."** - not, contracept, and be barren.

John MacArthur:

[ excerpt ]

"The primary effort in feminism is not equality. They don't want equality. That's why 99 percent of plumbers are men. They don't want equal power to be a plumber. They want to be senators, preachers, congressm[e]n, president, the power structure in a university. They want power, not equality," MacArthur asserted. "This is the highest location they can ascend to that power in the evangelical church and overturn what is clearly Scriptural. I think this is feminism gone to church. This is why we can't let the culture exegete the Bible," he continued.

**God's Word says:**

**1 Timothy 2:11-15, [KJV](#)**

( Women preachers over congregations of men and women is clearly contrary to Biblical teaching )

**Proverbs 31:10-31, [KJV](#)**

( Biblical description of a virtuous and praiseworthy woman )

**Titus 2:3-5, [KJV](#)**

( Older women are instructed by the Bible to teach younger women )

**Isaiah 3:12, [KJV](#)**

( Women rulers are a sign of divine judgment upon a people, not of blessing )
