- **Five Points** [Title only of each point below, go [here](#) for content for each point; emphasis added]

- **Conclusion**

1. The **Biblical** Doctrine of the Headship of Man **Disqualifies** a Woman for Civil Office.
2. The **Biblical** Qualifications for Civil Office **Require** Civil Leaders to Be Men.
3. The **Biblical** Picture of a **Virtuous Woman** Is Against a Woman Holding Civil Office.
4. The **Biblical** Lament that "Women Rule over Them" Confirms the **Error** of a Woman Holding Civil Office.
5. The **Biblical** Account of Deborah **Does Not Imply** that Women Should Hold Civil Office.

Conclusion

"In view of the **biblical evidence** presented above, it can be concluded that **women ought not to be civil leaders; only men have been called of God to exercise rule in the civil sphere**. For those who believe in the full inspiration and authority of the Bible, how can there be any other verdict than this? To assert that God's Word permits a woman to hold civil office and that Christians have the liberty to support a woman for the position of civil magistrate means that one has to deny the biblical teaching on **the headship of man**, reject **the qualifications for civil rulers set down in the law of God**, ignore **the biblical picture of the virtuous woman**, and close his or her ears to **the biblical lament of women ruling over men**. **The example of Deborah does not give sufficient evidence** to prove that she held the office of civil ruler or to overturn the biblical doctrine that men alone are called of God to the office of civil magistrate. Therefore, **Christians should not support a woman for the office of civil magistrate. It is imperative that Christians labor to restore God's order for the family, the church, and the state. If we violate God's order in any way or in any sphere, we will have confusion and will invite God's judgment on us**. God forbid that we would ever be so foolish." [Emphasis added]

CLL Comments:

William Einwechter's article was written over 15 years ago (2004).

Today in 2019 we absolutely do have confusion; it abounds in "truth-less" (**Hosea 4:2, [KJV](#)**) America.

God has visited His judgment upon us in many ways related to our violation of His creation order design for the roles of the male and female human beings **HE HAS CREATED**. We see here another one of the macro negative consequences of embracing **Darwinian Evolution** in science, law, education, and the culture generally. If there is no Creator, according to the foolishness (**Psalm 14:1, [KJV](#)**) of Evolution, then of course there can be no Creator's creation order design for the roles of men and women.

Evolution is a satanic attack on the authority of God's Word.

Witness the 2015 *Obergefell* U.S. Supreme Court Opinion unconstitutionally and lawlessly purporting to legitimize sodomite/lesbian "marriage" [*sic*]; and then the whole transgender, et al. sexual identity mess in denial of the biological realities of God's Laws of Nature (not the same as inevitably relativistic, so-called "natural law").

"The doctrines thus delivered we call **the revealed or divine law**, and they are to be **found only in the holy scriptures.**"

"Upon these two foundations, **the law of nature and the law revelation**, **depend all human laws**; That is to say, **no human laws should be suffered to contradict these.**" [emphasis added]

HYMN: "God of Our Fathers"

Second Stanza (excerpt, emphasis added):

"Be Thou our Ruler, Guardian, Guide, and Stay, **Thy Word our law**, Thy paths our chosen way."

How many evangelical Christians in America have sung this hymn, which is over 140 years old ?
