which appears in the January/February issue of Foreign Affairs.

[Video and (falsified) Transcript]

Notice these two important, highly instructive, **FALSIFICATIONS** of the Transcription of the video on the CFR website:

CARPENTER (?): And I work for Richard.

[CLL: Watch the [video](#) ! It was *clearly* **NOT** Michael Carpenter who said this, but Joe Biden who said he worked for Richard Haass, President of the NWO's Council on Foreign Relations !!!]

BIDEN: ... as you know, because I came, **Mike**, to you for advice - ..."

[CLL: Watch the [video](#) ! Biden *absolutely* did **NOT** say this to Michael Carpenter, *Biden did not even say the word "Mike"*; Biden said it, while looking at him, to Richard Haass, President of the NWO's Council on Foreign Relations !!!]

Why would the official CFR transcript be falsified in this way ? Isn't the answer obvious ? The words of former United States Vice President, former United States Senator, Joe Biden saying he works for Richard Haass, and that he went to Richard Haass for advice on an important matter of international relations, reveals the unsettling influence the President of the New World Order's Council on Foreign Relations has on the affairs of the United States of America !

United States Secretary of State Hillary Clinton:

[Emphasis, comments added]

"And I am delighted to be here in these new [**CFR**] headquarters. I have been often to, I guess, the mother ship, in New York City, but it's good to have an outpost of the Council [[the treasonous Jesuit - controlled Council on Foreign Relations](#) (**CFR**)] right here down the street from the [**United States**] State Department. We get a lot of advice from the Council, so, this will mean I won't have as far to go to be told what we should be doing, and how we should think about the future."
