## **NWO Globalists' Endorsement of Biden "Hidden in Plain View" at DNC Day 2, August 18**

---

---

As usual, regarding the fake media ( including [FOX](#) / FAUX News ) reporting of the Democratic National Convention, "narrative superceded substantive truth".

The endorsement of long-time Servant of the New World Order ( see August 10 report below ) Joe Biden by several prominent Globalist "elder statesmen" firmly, publicly, renewed Biden's Globalist bona fides for this campaign. Among the traitors endorsing Biden on DNC Day 2 were:

**Bill Clinton** - current [member](#) of [New World Order's](#), [treasonous](#), [Jesuit-controlled](#), [Council on Foreign Relations \( CFR \)](#); [former member](#) of NWO's [Rockefeller / Brzezinski Trilateral Commission](#); [Bilderberg Group](#) participant

**John Kerry** - current [member](#) of [New World Order's](#), [treasonous](#), [Jesuit-controlled](#), [Council on Foreign Relations \( CFR \)](#); [member](#) of masonic Skull and Bones Society

**Colin Powell** - current [member](#) of [New World Order's](#), [treasonous](#), [Jesuit-controlled](#), [Council on Foreign Relations \( CFR \)](#); [Bohemian Grove](#) participant

**Jimmy Carter** - current [member](#) of [New World Order's](#), [treasonous](#), [Jesuit-controlled](#), [Council on Foreign Relations \( CFR \)](#); [former member \(founding\)](#) of NWO's [Rockefeller / Brzezinski Trilateral Commission](#)

**Chuck Hagel** - [former member](#) of [New World Order's](#), [treasonous](#), [Jesuit-controlled](#), [Council on Foreign Relations \( CFR \)](#); [Bilderberg Group](#) participant; [Aspen Institute](#) participant

In addition, a video attesting to Biden's longtime friendship with fake Republican and fellow Globalist, the late John McCain, was also shown.

**Key takeaways from Day 2 of the Democratic National Convention:**

**Jill Biden loves Joe, and so did John McCain**

*The theme of the second night of the Democratic National Convention was Leadership matters, and the Democratic Party leaned heavily on those with prior government experience to make the case that Joe Biden is better equipped than Donald Trump to handle the responsibility of the presidency.*

**"The old guard comes out in force"**

**Bill Clinton**

**John Kerry**

**Colin Powell**

"Former [Secretary of State Colin Powell](#), a retired four-star general and a former chairman of the Joint Chiefs of Staff, implied in his second speech at a Democratic National Convention (he has also spoken at two Republican National Conventions) that Trump lacks the values needed in a U.S. president."

"Our country needs a commander in chief who takes care of our troops in the same way he would his own family. But Joe Biden doesn't need teaching, Powell said. Given that Powell voted for both Obama and Clinton, the fact that he is [yet another Republican](#) crossing over to endorse Biden may not carry much weight."

Powell consciously deceived the world in his 2003 presentation making the case for war with Saddam Hussein."
