Re: FUNDING the shedding of innocent blood with SC taxpayer dollars in SC State Budget

Report on "Republican"-Majority SC Legislature continued funding of Child-Murder and Child-Murderers after Special Session September 15-24, 2020

The "Republican"-Majority SC House and Senate met in special session several times between Sept 15-24. One primary purpose ostensibly was to pass a regular budget for FY 2020-2021. It did NOT happen.

The Senate passed a Budget Sept 16 by gutting what House passed in March before the COVID interruption, and passing what amounts to a Continuing Resolution of previous year's Budget with certain changes.

The House could then have: 1) concurred, 2) non-concurred, or 3) amended the Senate-passed Budget; but instead, the House Speaker invoked House Rule 4.8 and sent Budget Bill (H5201) back to House Ways and Means Committee.

So, the State will continue to operate on a Continuing Resolution passed May 12, continuing last year's Budget, with certain changes, and still continuing certain Baby-Killing funding (Sections 33 and 108) and funding of Mass-Murderers Planned Parenthood (Section 33), as usual !

So SC goes red-handed into the uncertainty of the Nov 3 Election and aftermath, the SC Legislature failing in their God-ordained **DUTY** as Lesser Magistrates to interpose between a wicked Federal Government (e.g., Medicaid Baby-Killing and Baby-Killer/PP funding) and the people of SC !

What manner of **CHAOS** might ensue after November 3 ?
