### "SPECIES HOMO SAPIENS"

- Does the term conform to a **Biblical Creationist** or to a **Darwinian Evolutionistic** Worldview ?

And Should Christian Pro-Lifers seeking to End/Abolish all "Abortion" (via principled Personhood or Abolition Bills), ever use term "Species Homo Sapiens" to refer to preborn human beings created in the image of God in Pro-Life\* Bills designed, sponsored and supported by Christians ?

\*Note For The Record: Incremental child-murder regulation bills (e.g., Heartbeat Bill) are NOT Pro-Life Bills !

The "South Carolina Unborn Victims of Violence Act of 2021", [H.4046 \(scstatehouse.gov\)](#) was filed in the SC House of Representatives on March 9, 2021, by SC Rep. [Jonathon Hill](#) (R).

If enacted into law, [H.4046](#) would re-criminalize child-murder by "abortion", when the "termination" is "deliberate", under the SC Code for Murder, [Section 16-3-10](#). So [H.4046](#) would criminalize surgical and RU-486 "abortions".

However [H.4046](#) also contains the **blasphemous** term "**species homo sapiens**" in the definition for an "unborn child":

---

### [H.4046](#):

Section 16-3-2310. As used in this article:

(1) 'Unborn child' means a living member of the **species homo sapiens**, at any state of development from fertilization until birth.

As explained in the posting "**SPECIES HOMO SAPIENS**" above, the Genus/Species classification system of Linnaeus placed Mankind in the Animal Kingdom and Primate (Apes) Order, a direct rejection of special revelation in Genesis 1:26,27, KJV that Man and Man alone, not the Animals, is created separately and distinctly in God's image. Man is not just another one of the Animals, which were created separately in Genesis 1:24,25, KJV.

The term "**Homo sapiens**" conforms to the **Darwinian Evolutionistic worldview**, which of course rejects Biblical Creation, and therefore rejects Christ, the Creator.
