

One of South Carolina's Leading Abortionists ...

PLANNED PARENTHOOD ABORTIONIST “DR.” HARVEY NEIL BROWN

Resides at 877 South Whitehall Circle, Florence, SC 29501

Most weeks of the year, Harvey Brown **kills** over 25 unborn human beings in the womb (see color literature) per week, **killing children** two days per week, presently on Tuesdays and mostly on Fridays, as the **principal abortionist** for Columbia's Planned Parenthood “abortion” center located at 2712 Middleburg Drive, Suite #107, Columbia, SC 29204. Planned Parenthood in Columbia is one of the three “abortion” centers in the State of South Carolina. These three together commit 99% of the 5,000 or so “abortions” per year occurring in this State. In just recent years, Planned Parenthood in Columbia committed:

1,681 “abortions” in [2020](#)

1,459 “abortions” in [2019](#)

1,471 “abortions” in [2018](#)

1,656 “abortions” in [2017](#)

[Source: SC DHEC Biostatistics]

So Harvey Brown (77) is single-handedly **one of the main abortionists in the entire State of South Carolina**. His **baby-killing** experience goes as far back to until at least **1988** !

Kimberly Burgess (Plaintiff) *vs.* Planned Parenthood and Harvey Brown, MD (Defendants): In this March 2015 civil lawsuit [<https://publicindex.sccourts.org/Richland/PublicIndex/PISearch.aspx>], the Complaint alleged **Harvey Brown “aborted” the Plaintiff after she expressly told Harvey Brown to stop before he had actually started the “abortion”**. It is against SC Law to “abort” a woman without her consent. *SC Code of Laws, Section 44-41-20* [<https://www.scstatehouse.gov/code/t44c041.php>].
