Subj: **A PLEA FOR JUSTICE: JUSTICE DELAYED IS JUSTICE DENIED; ESTABLISH JUSTICE NOW !**

We may possibly be less than one month away from an historic ruling by the United States Supreme Court, one that is 49 plus years overdue, whose delay has cost the lives of over 63 million children in the United States. Please do not become responsible before God for the life of even one more child being taken in South Carolina if in fact SCOTUS soon overthrows the evil, unconstitutional *Roe* Opinion.

In a May 4, 2022 letter to then-House Speaker Lucas from several members of the SC House of Representatives, they stated (copy enclosed):

“The killing of even one child with the needless countenance of state law would be a grave assault to human rights and human dignity.”

and;

“No more children should have to die without justice.”

What will your legacy be ? That South Carolina's top leaders had in place the legislative means to protect human life, as do already, in various measures, 13 other States via “trigger laws”; and 9 States with pre-*Roe* “abortion” ban legislation still on the books; and 3 States with “abortion” ban legislation passed since 2019 in spite of *Roe* ? Or, will the legacy of South Carolina in this historic sea change in America be that *Roe* was overturned, but in the State of South Carolina, the shedding of innocent blood continued, for even one second longer than necessary ? [Note: [Laws recognizing “Personhood” at fertilization for ALL humans fully establish justice.](#) Other “bans” may still shut down child-murder centers, as in Oklahoma.]

‘13 states have passed so-called ‘trigger laws,’ bans designed to go into effect if *Roe v. Wade* is overturned’

<https://www.cnn.com/2022/05/03/us/state-abortion-trigger-laws-roe-v-wade-overturned/index.html>

13 States with Trigger Laws already in place:

AR, ID, KY, LA, MO, MS, ND, OK, SD, TN, TX, UT, WY

9 States with pre-*Roe* “Abortion” bans still in place:

AL, AR, AZ, MI, MS, OK, TX, WI, WV

3 States which passed recent “Abortion” bans in spite of *Roe*

AL (2019), AR (2021), OK (2022) [<https://www.nbcnews.com/politics/politics-news/new-law-bans-nearly-all-abortions-arkansas-n1260328>]

So there are **18 different States** which have some type of immediate “abortion” ban legislation already in place upon the overthrow of *Roe*: **AL, AR, AZ, ID, KY, LA, MI, MO, MS, ND, OK, SD, TN, TX, UT, WI, WV, WY.**

Men, please do not wait to “respond” *after Dobbs*. Revise Sine Die Resolution S1325 and take up Personhood legislation beginning Day One June 15 of the upcoming Special Session, to **END/ABOLISH** ALL “abortion”. **Pass [Personhood Now](#) !**

God’s Requirement for Murder is Justice (Exodus 20:13, Micah 6:8, Amos 5:15, [KJV](#)).
