

South Carolina Legislators:

There are **18 different States** which *already* have some type of immediate “abortion” ban legislation, in some measure, already in place upon the overthrow of *Roe*: **AL, AR, AZ, ID, KY, LA, MI, MO, MS, ND, OK, SD, TN, TX, UT, WI, WV, WY.**

Tragically, shamefully, South Carolina does not. So even if the Supreme Court overturns *Roe v Wade* possibly before the end of this month, South Carolina will continue to shed innocent blood, will continue to kill babies.

Legislators, please ***do not wait*** to “respond” *after Dobbs*. Revise Sine Die Resolution S1325 and take up Personhood legislation beginning Day One June 15 of the upcoming Special Session, to **END/ABOLISH** ALL “abortion”.

Pass Personhood Now !
