

South Carolina Legislators, South Carolina Governor:

There are **18 different States** which already had some type of immediate “abortion” ban legislation, in some measure, already in place before the overthrow of *Roe*: **AL, AR, AZ, ID, KY, LA, MI, MO, MS, ND, OK, SD, TN, TX, UT, WI, WV, WY.**

Tragically, shamefully, South Carolina did not and still does not. So even though the Supreme Court has already overturned *Roe v Wade* on Friday, June 24, South Carolina may continue to shed innocent blood and kill babies.

Legislators, South Carolina Governor, **stop waiting** to “respond” to the *Dobbs* ruling which already occurred last Friday, June 24. **Revise Sine Die Resolution S1325 NOW, TODAY**, and take up Personhood Bills already filed beginning today Tuesday, June 28 to **END/ABOLISH ALL** “Abortion”.

PASS PERSONHOOD NOW !!!

Personhood Bills H5401, S1335 (scstatehouse.gov) – **“Abortion” is Homicide**
