MASS GENOCIDE BY "ABORTION"* CONTINUED AT COLUMBIA PLANNED PARENTHOOD CHILD-EXTERMINATION CENTER DEC 13 & DEC 16 AS A CUMULATIVE RESULT OF THREE CRITICAL VOTES IN THE SC SENATE:**

Sept 8

(Cloture failed 24Y-20N)

Oct 18

(Vote to Recede failed 17Y-26N)

Nov 9

(H5399 Tabled 23Y-21N)

South Carolina has become an "abortion" destination "magnet state" for Georgia, where an incremental Heartbeat Law is in effect; it is quite likely the number of "abortions" perpetrated in South Carolina in 2022 will significantly surpass the 6,279 reported by DHEC for 2021 [<http://christianlifeandliberty.net/2022-07-24-SC-DHEC-Abortions-by-Occurrence-in-SC-2021.pdf>]. The five pro-"abortion" "Republican" SC Senators below are foremost (though not alone) among those upon whose hands is the massive amount of innocent blood (Proverbs 6:16,17, KJV) being shed in this *ongoing South Carolina holocaust*. In the 175 Days since *Dobbs*, it is estimated 2,500 to 3,000 children have been slaughtered, primarily in SC's three death camps, in Greenville, Columbia, and Charleston.

THESE FIVE (5) PRO-"ABORTION" "REPUBLICAN" SC SENATORS VOTED ALL THREE TIMES TO EFFECTIVELY PERPETUATE MASS GENOCIDE BY "ABORTION" AT SOUTH CAROLINA'S THREE CHILD-MURDER MILLS*:**

Tom Davis (BEAUFORT)

Penry Gustafson (KERSHAW)

Greg Hembree (HORRY)

Sandy Senn (CHARLESTON)

Katrina Shealy (LEXINGTON)

In addition, this deceptive "Republican" SC Senator **did not cast a vote on any of these three dates:**

Luke Rankin (HORRY)

Report on Sept 8 failed Cloture vote (24Y-20N):

Report on Oct 18 failed Recede vote (17Y-26N):

Report on Nov 9 Tabling vote (23Y-21N) which killed H5399 for the 2022 Session:

God says,

"Thou shalt not kill (murder)."

Columbia Christians for Life

*** The **JUST** action (Micah 6:8, Amos 5:15, Proverbs 21:3, **KJV**) for the SC Legislature to have taken was not to pass the unjust SC Senate version of **H5399**, which would have banned approximately 52% of the surgical and RU486 child-murders by "abortion" in South Carolina; nor to pass the unjust SC House version of **H5399**, which would have banned approximately 98% of the surgical and RU486 child-murders by "abortion" in South Carolina; but to pass Personhood Bills **H5401** / **S1335** to **ESTABLISH JUSTICE** and ultimately **END AND ABOLISH ALL CHILD-MURDER BY "ABORTION" IN SOUTH CAROLINA.**

Neither the SC House nor the SC Senate versions of H5399 established legal recognition of **Personhood** for preborn children at fertilization, and therefore **neither version provided for equal protection of the laws**, and therefore **neither version established Justice**. The just course of action for the SC House and SC Senate to have taken was to pass the Personhood Act of SC (**H5401** / **S1335**), not H5399. However, even unjust H5399 died in the SC Senate for the 2022 SC Legislative Session on November 9, with no further likely legislative action to ban child-murder/sacrifice by "abortion" in South Carolina until the 2023 Session which begins January 10, 2023 at the earliest.
