

Re: Orwellian, Unjust, Pro-“Abortion”, Pro-Fornication, Pro-“Abortion”-Funding S474 Heartbeat Bill

The SC House significantly amended version of the [S474 Six-Week Heartbeat Bill](#) passed on [May 17, 2023](#). The SC Senate concurred with this same House version on [May 23, 2023](#). SC Governor McMaster signed [S474](#) into SC Law on Thursday, [May 25](#). The [Heartbeat Law](#) was blocked by a Circuit Court [May 26](#). The SC Supreme Court heard oral arguments on [Tuesday, June 27](#).

[S474](#) is **NOT** A PRO-LIFE BILL ! IT IS NOT EVEN A TRUTHFUL BILL, FALSIFYING THE DEFINITION OF THE PLAIN ENGLISH MEANING OF THE WORD **“CONTRACEPTIVE”** TO INCLUDE THE **“ABORTION”** OF A ONE-WEEK OR SO HUMAN EMBRYO **“AFTER CONCEPTION”** !!! [ORWELLIAN](#). **THIS PERVERSION OF BASIC TRUTH IS DANGEROUS.**

[S474](#) - Section 44-41-610. [Note: This language present when [S474](#) first introduced in the Senate, 2/1/2023.] (4) "Contraceptive" means a drug, device, or chemical that prevents ovulation, conception, or the implantation of a fertilized ovum in a woman's uterine wall after conception. [*sic* – [Orwellian](#)] [Emphasis added]

[This new, **FALSE** definition of “Contraceptive” in [S474](#) perverts the current accurate South Carolina Law definition: [Section 44-41-610](#). (2) "Contraceptive" means a drug, device, or chemical that prevents conception.]

[Scientifically speaking, it is not a “fertilized ovum” which implants in the woman’s uterus 6 to 12 days after fertilization, but a 200 – 300 cell tiny human embryo termed a **“blastocyst”**. [S474](#) is **neither scientifically correct, nor correct in its perversion of the plain English meaning of the word “Contraceptive”**.]

FURTHERMORE:

1) In SECTION 3. / Section 44-41-90.(A):

[S474](#) **CODIFIES** in permanent SC Law the **FUNDING** of certain “abortions” in the State Health Insurance Plan (instead of appearing annually in the State Budget, Section 108/PEBA, Part 1B Provisos).

[S474](#) provides for **FUNDING** of “abortions” through the State Health Insurance Plan in the cases of so-called life/serious health of the mother [despite the counter-indication of the [www.DublinDeclaration.com](#)], rape/incest, and so-called fatal fetal anomaly [*sic* - *euthanasia*].

2) In SECTION 5. / Section 38-71-146

[S474](#) mandates all private, group, and HMO insurance policies in the State cover “contraceptives” [*sic*], which consistent with the perversion of the definition of “contraceptive” also includes abortifacients, thereby likely **INCREASING** the number of early “abortions” by abortifacient birth control in South Carolina (there is a religious exemption).

3) In SECTION 11.

[S474](#) provides “contraceptives” [*sic*], which includes abortifacients, to the **DEPENDENTS** (e.g., young adults) of employees covered by the State “Health” Plan, with which to **FORNICATE**, facilitating corruption of the morals of youth, and likely **INCREASING** the number of early “abortions” by abortifacient birth control in South Carolina.

AS A CUMULATIVE RESULT OF: 1) THE THREE CLOTURE VOTES ON APRIL 26, 2023; AND 2) THE ONE CLOTURE VOTE ON APRIL 27, 2023 ABOVE; PLUS 3) THESE THREE CRITICAL VOTES IN THE SC SENATE BELOW:

South Carolina has become an "abortion" destination "magnet state" for Georgia, where an incremental Heartbeat Law is in effect; consequently the number of "abortions" perpetrated in South Carolina in 2022 (7,276) significantly surpassed the 6,279 reported by DHEC for 2021 by almost 1,000. Back on February 8 on the floor of the SC Senate, one Senator announced that DHEC statistics for just the month of January 2023 indicated there were 983 “abortions” committed in South Carolina that month. Compared to the monthly average of 523 “abortions” per month for 2021 ($6,279/12 = 523$), **that was an increase of 88%**.

The SIX pro-"abortion" "Republican" SC Senators below are among those foremost (though not alone among “Republicans”, let alone ALL 16 of the Democrats) upon whose hands is the **massive amount of innocent blood** (Proverbs 6:16,17, KJV) being shed in this **ongoing South Carolina holocaust**. In the 386 Days since *Dobbs* (as of July 15, 2023), it is estimated **over 8,500 children have been slaughtered**, primarily in SC's three death camps, in Greenville (Greenville Women's), Columbia (PP), and Charleston (PP). IF A **PERSONHOOD LAW** HAD BEEN PASSED **ANYTIME IN THE 24 YEARS PRIOR****** TO 6/24/2022, THIS **MASS GENOCIDE OF UNBORN CHILDREN BEING SLAUGHTERED IN SC** COULD HAVE BEEN PREVENTED. EVEN IF A COURT HAD BLOCKED IT PRIOR TO *DOBBS*; AFTER *DOBBS* IT COULD HAVE GONE INTO EFFECT !

[NOTE: **TWO “TRIGGER LAWS” WERE INTRODUCED** FOR THE 2022 SC LEGISLATIVE SESSION **BEFORE** THE **DOBBS DECISION** JUNE 24, 2022; ONE A BAN ON SURGICAL/RU486 ‘ABORTIONS’ BUT NOT A PERSONHOOD BILL – **S988**; THE OTHER A **PERSONHOOD BILL** – **H5401**. **S988 PASSED A SENATE MEDICAL AFFAIRS SUBCOMMITTEE** THEN DIED. **H5401** WAS NEVER EVEN GIVEN A HOUSE JUDICIARY SUBCOMMITTEE HEARING.]

THESE FIVE (5) PRO-"ABORTION" "REPUBLICAN" SC SENATORS VOTED ALL **THREE TIMES** TO EFFECTIVELY PERPETUATE **MASS GENOCIDE BY "ABORTION"** AT SOUTH CAROLINA'S THREE CHILD-MURDER MILLS on September 8, October 18, and November 9, 2022:

Tom Davis (BEAUFORT)

Penry Gustafson (KERSHAW)

Greg Hembree (HORRY)

Sandy Senn (CHARLESTON)

Seven “Republicans” who **PERPETUATED** Mass Genocide in South Carolina by voting to Table (Kill) the Conference Committee **H5399 Report** Which Would Have Banned 98% of Surgical/RU486 “Abortions” in SC; These Seven Effectively Voted to Perpetuate **Mass Genocide by “Abortion”** at South Carolina’s Three Child-Murder Centers:

Tom Davis (BEAUFORT)
Penry Gustafson (KERSHAW)
Greg Hembree (HORRY)
Shane Massey (EDGEFIELD)
Sandy Senn (CHARLESTON)
Katrina Shealy (LEXINGTON)
Tom Young (AIKEN)

If just one Senator of the 23 who voted Yes to Table (kill) the H5399 Conference Report had instead voted No, the vote would have been a 22 Y – 22 N tie, and the Tabling motion would have failed.

The Right to Life

“We believe the Fourteenth Amendment’s protection applies to unborn children.

Unborn children should be classified as **legal persons** not as legal property.” [Emphasis added]

[Blacks Law Dictionary \(2009\): Person = A Human Being](#)

person. A human being. Also termed *natural person*.

The Personhood Act of SC (2022 Session - [H5401/S1335](#)) recognizes the Creator God-given, inherent, unalienable right to life of every human being as a natural person beginning at fertilization, in SC law, with no exceptions, because God says, Thou shalt not kill (murder). Exodus 20:13, [KJV](#).

<http://christianlifeandliberty.net/2022-12-05-History-of-Personhood-Legislation-in-South-Carolina-1998-2022.pdf>

The [JUST](#) action (Micah 6:8, Amos 5:15, Proverbs 21:3, [KJV](#)) for the SC Legislature to have taken in 2022 was not to pass the unjust SC Senate version of [H5399](#), which would have banned approximately 52% of the surgical and RU486 child-murders by "abortion" in South Carolina; nor to pass the unjust SC House version of [H5399](#), which would have banned approximately 98% of the surgical and RU486 child-murders by "abortion" in South Carolina; but to pass Personhood Bills [H5401](#) / [S1335](#) to **ESTABLISH JUSTICE** and ultimately **END AND ABOLISH ALL CHILD-MURDER BY "ABORTION" IN SOUTH CAROLINA**.

Neither the SC House nor the SC Senate versions of H5399 established legal recognition of **Personhood** for preborn children at fertilization, and therefore **neither version provided for equal protection of the laws**, and therefore **neither version established Justice**. The just course of action for the SC House and SC Senate to have taken was to pass the Personhood Act of SC ([H5401](#) / [S1335](#)), not H5399. However, even unjust H5399 died in the SC Senate for the 2022 SC Legislative Session on November 9, with no further legislative action to ban child-murder / sacrifice by "abortion" in South Carolina until the 2023 Session at the earliest, which began January 10. **On Feb 15 (2d Reading) and Feb 16 (3rd Reading), 2023, the "Republican" super-majority (88 of 124 seats) SC House of Representatives passed H3774, the falsely-named "Human Life Protection Act", which would ban approx. 97% of surgical and RU486 "abortions", but which would also EXPAND access and availability of contraceptive/abortifacient birth control, thereby likely INCREASING THE NUMBER OF "ABORTIONS" BY ABORTIFACIENT BIRTH CONTROL DRUGS AND DEVICES !!! H3774 is NOT PRO-LIFE LEGISLATION !!!**

DESPITE THE SC REPUBLICAN PARTY PLATFORM BEING A "PERSONHOOD" PLATFORM; AND DESPITE THE FACT THE "REPUBLICANS" IN THE SC HOUSE NOW HAVE A CLEAR SUPER-MAJORITY (88 R, 36 D), AND DESPITE THE FACT "REPUBLICANS" HAVE A NEAR SUPER-MAJORITY IN THE SC SENATE (30 R, 16 D), PERSONHOOD LEGISLATION TO PROVIDE FOR TRUE AND COMPLETE EQUAL PROTECTION, AND THEREFORE THE ESTABLISHMENT OF JUSTICE, TO ACTUALLY **END CHILD-MURDER BY "ABORTION", **HAS NOT** BEEN PASSED OUT OF EVEN EITHER A**

SC HOUSE OR SC SENATE SUBCOMMITTEE OR COMMITTEE SINCE 2018, WHEN PERSONHOOD LEGISLATION WAS PASSED OUT OF THE SC SENATE JUDICIARY COMMITTEE AND PLACED ON THE CALENDAR OF THE FULL SC SENATE (WHERE IT DIED).

History of Personhood Legislation in South Carolina (1998 – 2022)

<http://christianlifeandliberty.net/2022-12-05-History-of-Personhood-Legislation-in-South-Carolina-1998-2022.pdf>

THE FALSELY-NAMED "HPLA" BILL H3774 WOULD **NOT** ESTABLISH PERSONHOOD, AND THEREFORE WOULD **NOT** PROVIDE FOR TRUE EQUAL PROTECTION, AND THEREFORE WOULD **NOT** ACTUALLY **END** ALL CHILD-MURDER BY "ABORTION", AND THEREFORE WOULD **NOT** ESTABLISH JUSTICE !

H3774 would ban 97% of surgical and RU486 "abortions" in SC, and thus would likely shut down such "abortions" at the Planned Parenthood murder mills in Columbia and Charleston, and would likely stop nearly all such "abortions" at the Greenville murder mill.

Nevertheless, the "exceptions" in H3774 (so-called life/serious health of the mother [in spite of www.DublinDeclaration.com], rape/incest, and so-called fatal fetal "anomaly" [*sic* – **euthanasia**]) would **PERPETUATE** the "legality" [*sic*] of surgical/RU486 "abortion" in South Carolina.

2023-2024 Bill H3774:

Abortion Ban with Exceptions

https://www.scstatehouse.gov/sess125_2023-2024/bills/3774.htm

However, prior to *Dobbs*, surgical and RU486 "abortions" only accounted for an estimated 10-20% of total "abortions". The other estimated 80-90% were from birth control which can function not only contraceptively, but also **abortifaciently**, **TO WHICH BILL H3774 WOULD EXPAND AVAILABILITY AND ACCESSIBILITY, EVEN TO DEPENDENTS (YOUTH) THROUGH SC PEBA AND THE SC STATE HEALTH INSURANCE PLAN, WITH WHICH TO FORNICATE !** (See SECTION 7. of H3774).

Post-*Dobbs*, the number of surgical and RU486 "abortions" have decreased because of the States with near-total "bans" of surgical and RU486 "abortions"; this could effectively increase the percentage of "abortions" caused by abortifacient birth control out of the total number of "abortions".

So SC "Republican" Legislators are **continuing** to allow the "abortion" battle to be **perpetuated** in South Carolina, by including "exceptions", instead of a total ban on "abortion", and by even expanding availability and accessibility to birth control that can function **abortifaciently**, instead of **ENDING** "abortion" by establishing **PERSONHOOD** in law, at fertilization, with no exceptions, because God's Word says:

"Thou shalt not kill (murder)."

Exodus 20:13, KJV

Now more recently in South Carolina, as of May 23, 2023, the SC Legislature has passed **S474**, the **Orwellian** Heartbeat Bill, which will **DECREASE** the number of surgical and RU486 “abortions”, while actually **CODIFYING** in permanent SC Law the **FUNDING** of certain “abortions” in the State “Health” Plan. **S474** will also increase the availability of birth control to both adults and even unmarried young adults (facilitating **FORNICATION**), including certain **abortifacient** birth control (which has been deceptively re-defined in **Orwellian** fashion by the SC Legislature in **S474** as “contraceptive” – SC Law Section 44-41-610.(4)), thus likely **INCREASING** the number of “abortions” caused by **abortifacient** birth control in South Carolina. This is the unjust, **Orwellian**, pro-“abortion”, pro-fornication, pro-“abortion”-funding piece of wicked legislation which “Republican” Governor Henry McMaster signed into SC Law on Thursday, **May 25, 2023**. (It was blocked by State Circuit Court May 26). The SC Supreme Court heard oral arguments on **Tuesday, June 27**.
