In **June 2020**, the NWO's\*\*\*\* Aspen Institute hosted a "tabletop exercise"\*\*\*\*\* to prepare the Establishment media (NWO propagandists) and key social media platforms to suppress and delegitimize the release of significant reporting on the Hunter Biden laptop story, which came out in **October 2020**, shortly before presidential Election Day in **November 2020**.

---

\*\*\*\* The Aspen Institute leadership is permeated with Globalist Elites of the **NWO's Council on Foreign Relations (CFR)** and **Trilateral Commission (TC)**. The NWO envisioned by the Global Elites includes one-world, global government, which by definition, means the supersession of the United States Constitution and eradication of the true sovereignty of America.

Christians, patriots:

Know Your Enemies !

Begin by **IDENTIFYING** who they are !

Friends of the **NWO's** Aspen Institute should **NOT** be supported by Christians or patriots; and friends of the **NWO's** Aspen Institute should definitely **NOT** be supported to be elected U.S. President ! ( nor chosen for any other position anywhere near the White House Oval Office, e.g., VP or Cabinet ).
